Dear Fleetwood Park Secondary Parents/Guardians,

We hope that you and your loved ones are safe and healthy during this time. We miss seeing your children at school and are looking forward to their return. Remote learning will continue for all students; however, schools will also be offering optional in-class learning beginning on Monday, June 1st. Students will sign up for these voluntary sessions directly with their teachers – instructions on how to sign up for each class will be communicated by teachers this week.

To comply with the Provincial Health and Safety guidelines, the sign-up will limit the total number of students for each class and in the building to no more than 20% of our enrollment at any one time. The school-wide schedule for in-class learning is as follows.

Monday – Block A (register for one of four sessions)

Tuesday – Block B (register for one of four sessions)

Wednesday – School is closed for deep cleaning. Continuation of remote learning from home.

Thursday – Block C (register for one of four sessions)

Friday – Block D (register for one of four sessions)

In-class learning is optional and will be the decision of each family. We will continue to support students whether at home or as we welcome them back to school.

In order to assist us with our planning, please complete this brief survey and let us know if your children are returning to in-class instruction. We recognize that families may still be considering both options. If possible, please complete the survey by Wednesday, May 27th.

Rationale:

- students have access to each class once a week
- students attend one class each day, keeping them out of hallways moving from class to class
- increased time between classes to facilitate hallway management and regular cleaning
- students can select times that accommodate family needs (e.g. drop off and pick up of elementary school-aged siblings)
- students will only be permitted in the building during their scheduled session time
- staggered start/end times will help reduce congestion in the hallways

Note: A “sign-up” schedule will be provided by teachers for each class and will be posted in their online learning platforms.

Thank you again for your perseverance and flexibility during this uncertain time. We will continue to work together to support the health and safety of our students, staff and community while providing continuity of education.

All the best,

Ken Hignell
Principal
