Return to School Letter

Hello Parents, Students, & Families,

I want to thank you for taking the time to complete the survey that was sent out earlier this week. As we prepare for Monday and welcoming back some of our students, I have included a few reminders for those attending face to face instruction in order to prepare for their day(s) at school.

As we have been planning for the return of students, we have been guided by our shared commitment to ensuring the safety of all members of our school community. We will be reminding our students of the importance of following the guidelines around frequent hand washing, physical distancing, and staying home if they are feeling sick.

- Parents and caregivers will have the responsibility to assess their children daily **before** sending them to school. If your child experiences any cold symptoms, please keep them at home.
- Parents or caregivers must pick up their child as soon as possible if they are notified their child is ill.

Important information:

- Students will enter the school through their outside classroom doors, only. **Outside classroom doors will be open beginning at 8:33 AM until 8:45 AM to allow for gradual entry and a soft start to the day**
- The school will not be doing the “safe arrival” calls in the morning for students who have said “NO” to on-site learning
- Parents and caregivers must remain outside the school building for pick-up and drop-off. Please respect and be models for our students of physical distancing.
- Please ensure that you are physical distancing from other families/adults while on-site.
- The main front doors of the school will be locked. If you need to come in, please call the school so that we can meet you at the front door to sign in and help you to follow our health protocols
- **No lunch drop off will be permitted.** Students are expected to arrive with all that they need to start and finish the day. Please send your child with a water bottle.

Supplies for students to bring on their scheduled day (in Ziploc bag) with students name on them

- **Pencils**
- **Erasers**
- **Scissors**
- **Glue stick**
- **Pencil Sharpener**
- **Crayons/pencil crayons (Primary)**
- **Pencil crayons/felts (Intermediate)**
- **Ear buds or earphones**
- Beach towel or yoga mat
- More time while be spent outside. Please be prepared for the weather (Suntan lotion, jacket, and hat)

If you have changed your mind about your child(ren) attending face to face instruction, please call or email as soon as possible.

If you have any questions or concerns, please feel to reach out to me, either by phone or email. We are very much looking forward to welcoming students back into the building. We are in this together and appreciate your patience as we all get used to the changes in practice.

Stay healthy,

Mrs. Leona Brennan
Principal
Sunrise Ridge Elementary
