

Dear MJS Parents/Caregivers,

We are re-opening our school doors for in-person instruction beginning Monday, June 1st, 2020. Our K-5 students are welcome back two (2) days per week and our Grade 6/7 students can come one (1) day per week. The maximum number of students per class is 50% in order to ensure social distancing, therefore each classroom is divided into 2 groups.

Your child's classroom teacher will be informing you of which group your child is assigned (either group A or B). Consideration to family groupings, peer relationships and balanced classrooms have been taken into consideration. If you do not hear back from your child's classroom teacher, please call the office at 604-588-5991 between 8:30am-3:30pm for more information.

Just a reminder to complete the survey form about returning to school, if you haven't already done so (see link).
