

## SURREY FOOD BANK / HAMPER FUNDRAISER NOVEMBER 16 – DECEMBER 11

For the next four weeks, we will be collecting non-perishable food items for the Surrey Food Bank Society and the families our school supports through Christmas hampers. Help make a difference by supporting our neighbours who struggle with life's greatest challenges. The Surrey Food Bank assists over 14,000 people each month, of whom 41% are under the age of 18. The Surrey Food Bank relies on the holiday drives to fill their shelves not only during this season, but to keep them going throughout the year.

Normally, during this time of year the Food Bank is in dire need of donations; however, this year due to the pandemic families need our support more than ever. For this fundraiser, in order to support the items needed by the Surrey Food Bank, we are participating in a Reverse Advent Calendar campaign. Below is an image of a calendar with food items for each day. If you are able to, please send the corresponding food item to school that matches the day on the calendar. This is optional, in an effort to collect the most needed items; however, you are welcome to send any non-perishable food to school with your child on any day over the next four weeks. Any help you can give would be much appreciated.

# REVERSE ADVENT CALENDAR
