A bi-weekly update for parents and families
Ecole Riverdale Elementary...
together, we SOAR to success!

Principal: Leah Christensen
Vice Principal: Gary Loosemore

June 12, 2017

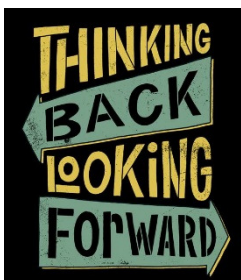

A word from your Principal

It has been a phenomenal year of learning and exploration! Here are a few more updates that we're squeezing in before we break for the summer.

The Riverdale Courtyard has undergone some significant pruning and cleaning, and we will open it back up after a long-awaited break! The space is very special. It is intended to be a quiet place for students and classes to go to observe nature, draw, read, and have a quiet space. This doesn't happen often in a busy day of learning, so we are thankful we have a space to do this at our school.

We also received a \$5000 grant to purchase items that enhance students' creativity and opportunities to design and build. We have started to receive these items, and look forward to having them in classrooms in September.

Finally, the lockers will no longer be in use come September. Starting July 2nd, we will have new interior storage/cloakroom areas in all classrooms. This will be such an improvement for student safety, accessibility and will provide a calm, quiet start to our days. Maintenance cannot remove the lockers, but they will be secured shut.

Thank you for all of your support throughout the first 37 weeks of the school year. We look forward to seeing you at the year-end events that await us!

Staffing Update

It is the time of year when we learn of staff moving on to new adventures and schools. Mr. Loosemore has been the Vice Principal at Ecole Riverdale for nearly three years. All good things must come to an end, and we received word that Mr. Loosemore will be leaving Riverdale and moving to Bear Creek Elementary for September. We thank Mr. Loosemore for his wonderful contributions to our community, and will officially say our thank yous and "au revoir" at the year-end assembly.

Sports Day! June 16th – Rain or Shine!

It's a "Rugged Canadian" theme for our four houses: Ebony; Scarlet; Emerald; Indigo. PAC will run a concession throughout the day, and students will enjoy their final Hot Lunch of the year (thanks to PAC)! Please come out and cheer on the fun! The weather looks somewhat cooperative, but we have alternate plans to come indoors should the skies open up.

Year End Celebration Assembly – June 23rd, 9am

This year, we will celebrate a wonderful year of learning, the arts, athletics, service and leadership through music, song, dance, slide shows, and special Raven's Excellence awards. We will also take some time to say thank you and good bye to retiring and departing staff. We hope you will be able to join us! *Please note: Seating is limited.*

Class Placements for 2017-2018

Teachers spend a great deal of time taking into consideration many factors when placing your children into classes. When doing classroom configurations, teachers look at the overall composition of the classroom, and consider where each child would likely be most successful. They must balance the needs of the individual child with the overall composition of the classroom. We work collaboratively and consider the following criteria to carefully balance the learning experiences of all children:

- Social and emotional needs
- Gender balance
- Social relationships with peers
- Learning styles
- Diversity of learning needs
- Maturity

We have many parent requests to keep children together based on friendships. We know that having your child feel socially comfortable is important, and we will ensure they will have peers in their classes with whom they connect.

If you wish to share any information based on the above criteria, please contact Ms. Christensen, with a brief note or by email.

Moving? No longer attending Ecole Riverdale in September?

Please inform the office as soon as possible if you are moving and/or transferring schools. Thank you.

Calendar and Bell Schedule for 2017-2018

Please find attached a copy of next year's calendar with early dismissals.

Next year, the school day has been shortened by 2 minutes. Many of you may have child care arrangements to make over the summer. Please note the 2017-2018 bell schedule:

8.35am	Warning bell – students enter school
8.40am	Classes in session

Student Safety

In order to ensure your child is safe at school, **it is district policy that parents/visitors first check in at the office before going anywhere else in the school.** We will then call down to your child's classroom to inform the teacher of your arrival. This also makes for fewer disruptions in the classroom. We appreciate your understanding and cooperation.
