2021 Yearbook Order

Every year the yearbook committee of grade 7 students completes a yearbook for sale. The books are high quality full colour books printed by a professional yearbook company. From kindergarten all the way through grade 7 there are many precious memories in the book. Each classroom has its own 2-page spread. There are also a variety of pages completed to commemorate many of the activities that have taken place over the year. The book is 92 pages in total.

There are a limited number of copies available so get your order in early. Last year the books sold out completely. Books must be ordered online through the school on-line ordering web-portal — the same place you pay for other school fees. If you are unfamiliar with the procedure to do this you can contact Michelle in the office and she can assist you.

Cost: \$24.00

Order due date: Friday, May 7, 2021

Office phone number: 604-541-1613

Students Calling Home During the School Day

Please talk to your children about the necessity to leave a message when they call you from the school. Often students call home from their classroom and the office staff do not know that your child called home.
