Distribution of Rapid Antigen Tests for Rosemary Heights Elementary Students

Dear parents and guardians,

This week, the Ministry of Education began shipping COVID-19 rapid antigen tests to school districts across the province for distribution to students. We have now received test kits for our school.

Every student at our school will receive one package that includes 5 test kits for your family's use. For details on when to use this test, please visit the [BC Centre for Disease Control's website](#).

You can access instructions on how to use these kits [here](#). Please feel free to print these out or bookmark this link. If you have any questions about these test kits, please reach out to public health.

At Rosemary Heights, kits will be distributed directly to parents/guardians from the classroom. Please expect any further instructions from your child's teacher.

Thank you for your continued support.

Sincerely,

David Dekerf
Principal

Student Information

In case of an emergency, it is always important that we have the most current contact information for your family. Please inform the school when phone numbers or email addresses change, by emailing the office @ rosemaryheights@surreyschools.ca
