

ROYAL HEIGHTS PAC

What is a PAC?

The School Act gives parents the right, through PACs, to assume an advisory role in every school. PAC is the officially recognized collective voice of parents of their school. A PAC, through its elected officers, may advise the school board, the principal and staff of the school respecting any matter relating to the school other than matters assigned to the School Planning Council (SPC).

YOU as a Parent/Guardian of a student attending Royal Heights Elementary are already a member!

What We Do

The PAC meets on a monthly basis throughout the school year with the School Administration to discuss opportunities for the students and community. This includes topics like safety, education, classroom materials, and events.

With Royal Heights being a smaller school, we have benefited from the staff knowing our kids really well! This also means that our school doesn't get a lot of funding from the government. The PAC dedicates a lot of our time to fundraising so that we can provide as many opportunities as possible for our kids; field trips and classroom supplies are reoccurring supports we provide, as well as memorable events like carnivals and our annual pancake breakfast.

The PAC also manages other funds that come from the district or government, which allows the school to host groups for activities, like Zumba, or yoga, as well as performances such as Uzume Taiko (Japanese Drumming)!

A lot of thought, planning, and love goes into the daily lives of our children and their education; we would like to invite you to our final PAC Meeting and AGM of 2016/2017 and participate in the vote for your executive members!
