

Rules and Expectations

Attendance

Come to class on time with your needed materials and to your assigned seat. If you are unwell stay home and have your parents notify the school. You are responsible for finding out what you have missed and making up assignments when you return. If you forgot materials and need to go get them more than one time and you will be marked late. If you are inexcusably late more than two times home will be contacted and may be kept in class to make up for lost time. Home will be contacted if you are unjustifiably absent. In order to do your best in this course you need to be present and actively participating in class.

Cell Phones

Cell phones will be collected at the beginning of class and put into your numbered holder and the cupboard will be locked. If you choose to ignore this rule and we see your cell phone- even if its not being used, it will be confiscated **for the day**. If you do not wish for the teacher to hold onto it, we can give it to your VP and you may collect it from them. There may be times that you may need your device and we will let you know when that occurs.

Food

Water is the only drink allowed in class. Please do not use glass water bottles. No food unless you have requested special permission due to unforeseen circumstances. Also, we are a nut aware classroom.

Sanitation and Safety

As you enter the class please sanitize your hands. Masks must be worn covering both your nose and mouth unless actively drinking water or with special permission to eat. Keep your distance from others when possible. Face forward and do not turn to make groupings. This prevents face to face interaction and reduces the spread of germs.

Handing In Assignments

Turn in assignments to your blocks corresponding bin. Example: if you are in block E you will turn in your assignments into the bin labelled Block E.

Respect the environment (keep it clean)

Respect others (kind words only)

Respect yourself (encourage yourself and do your best)

Communicate

If you need more time for an assignment, ask in advance. If you need assistance put up your hand and let us know. If you are going away give us warning.
