

Salish Secondary - Temporary Schedule

The temporary schedule is designed to provide a structure for teachers, students, and parents, as to when teachers will be available to meet with students, remotely. Teachers will use this time to instruct students in addition to tutorial times. Recorded lessons will be available, in addition, to support student learning.

- **Grade 8-10** courses will be joined into 2 areas of learning for each grade. Teachers will be providing 1 assignment in each area of learning in 2-week increments (total of 2 assignments in 2-week increments)
 1. Integrated Arts
 - (English, Social Studies, Art, Modern Languages, Careers)
 2. Integrated Design
 - Math, Science, PHE, Applied Design, Skills, & Technology (ADST)
- **Grade 11 and 12** courses will resume but at a very slow pace and staggered to allow for flexibility for students. Teachers will be providing assignments in each course in 2-week increments.

Teachers in all grades will connect with students in their class/team on Microsoft TEAMS (Office 365).

	Time	Monday	Tuesday	Wednesday	Thursday	Friday
Grade 8	9:00-11:00	Integrated Arts				
	12:00-2:00	Integrated Design
