DARBY PHOTOS

## SCHOOL / PAC FUNDRAISER 2020 Edition

Sit on Santa's lap for a holiday photo this year...**well sort of**.  
Have a photo taken with Santa this year....**well sort of**.  
COVID-19 has put a wrench into many of these traditions, **or has it?**

Sitting on Santa's lap for a yearly photo is one of the traditions we all cherish and look forward to each year. 2020 is not allowing this tradition to continue in the "traditional way". Darby Photos has worked with Santa Claus to create a way all children can still have this memory while donating proceeds back to the community through school fundraisers and food bank donations. This year, we believe it has never been more important to give back and this is **EXACTLY** what Santa Claus and Darby Photos have teamed up to do!

Your school has signed up for this special fundraiser. In addition to making a food bank donation **FROM EVERY PHOTO ORDER WE WILL DONATE \$5.00 TO YOUR SCHOOL**. Share your school code with friends, family and through social media to increase the fundraising opportunity for your school!

Participate by going to:
