

## Online payment is here at Sunrise Ridge Elementary

We have moved to a District online fee payment system as of April 4, 2022. Please be sure to **register** for an account with [School Cash Online](#)

We will be using this system to collect fees for items such as fieldtrips, planners, etc. If you have questions, please contact the office.

The above link is one way to access. Another way to find the link for School Cash Online is through the school website, as shown in the pictures below.
