

Fleetwood Park Secondary

2021-2022 Clubs

Revised April 2022

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|---------------------|-----------------|--|---|--|----------|------------|--------------|
| ANIME CLUB | Ms. Porter | Anime Club aims to spread appreciation for the animated medium and explore unique perspectives through this rich art form. This club celebrates diversity by building a creative oasis where everyone is welcomed to converse, explore creative pursuits, and support each other. Its goal also includes operating innovative and inclusive events to strengthen the sense of unity during the unusual times of the pandemic. Anime Club can benefit the Fleetwood Park community as it would enhance the artistic sensibility, cultural awareness and communication skills of students. | The anticipated number of members is around 30. For in-person meetings, all members will be expected to follow Covid protocols as they would in class. Depending on how many members join the club (if the number exceeds what is allowed), meetings will be moved online to Teams. | Students can come in and watch anime with students that share the same interest in a peaceful environment. At the end of each month there will be an online meeting on Teams where students can play Kahoot or share their anime related projects through fanart, music, poetry or any other forms of creative work through the club's Instagram page to help them reach a wider audience. | B106 | Wednesdays | Lunch |
| ART CLUB | Ms. Porter | To bring art to the school halls in celebration of seasons, support school activities & create student designed art work that celebrates the diversity of our Fleetwood Park community. The Art Club seeks to make art connections that foster community. | To design and create artwork to share in the halls of Fleetwood Park. Membership varies from 25-45 per year. | Meet once a week after school to work on projects. | B106 | Thursdays | After school |
| BEST BUDDIES | Ms. Salkeld | To create connections between students in the BASES program and the rest of the student population. To foster a more inclusive environment. | 30 members | Students will come to lunch in the BASES room | A209 | TBD | Lunch |
| BIOLOGY CLUB | Ms. Morin | To engage students interest in the subject of Biology, to teach AP Biology material, to provide aid to students who need help in biology, to help prepare certain students for the various other exams e.g. National Biology Competition. | Welcome to students in Grade 8 - 12 who are interested in Biology. | Teaching the Bio12 curriculum, NBC material, various other biology topics via interactive lectures and, if possible, biology related labs | A310 | Mondays | 3:15-4:15 |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|----------------------------|------------------------|---|---|--|----------------|---------------------|----------------------------|
| BOOK CLUB | Ms. Miller-Tait | To raise awareness of Literacy in a social setting. Students will communicate with members of the club about the books they have read. | Read texts. 15-20 members. | The student organizer, Priya Meka is using Discord to communicate with the members. Meeting monthly to discuss books. | A216 | TBD - Monthly basis | Lunch |
| BULLET JOURNAL CLUB | Ms. Tran and Ms. Carey | Our club is dedicated to exploring bullet journaling methods and also diving into the beauty of calligraphy, by applying different art expressions into bullet journals. Members can feel free to design a unique journal that works only for themselves. | We have invited a few friends already and we anticipate around fifteen members will be joining our club. | We will be applying calligraphy in journals, also on holiday cards. Members will be setting up their own journal step by step. On Thursday afternoon, meeting twice a month. | School Library | Thursday | afternoons - twice a month |
| DEBATE CLUB | Mr. Robinson | To give students of all abilities an opportunity to develop their oracy skills while helping students to become more informed about political and global affairs | Members of all experiences are welcome as we look for individuals passionate and interested. Anticipated numbers ~30 | Lessons, practice debates, activities. Tournaments for individuals who sign up (done online due to Covid) | C102 | Tuesdays | Lunch |
| DRAGONS FOR JUSTICE | Ms. Anderson | To foster our understanding of identity, inclusive practice and equity. The club will be student-led and work to deepen our understanding of social justice issues in our communities. | The club will be opened to all grades and any member interested with hopes to work in collaboration with some of our existing clubs. | Weekly meetings with selected discussion topics / awareness campaigns | B105 | Tuesday | Lunch |
| EARTH CLUB | Ms. Metcalfe | To raise awareness of sustainability, as well as educating and addressing environmental issues to the school and community. | We hope that members come with a desire for change within our community and ideas for how we can impact the planet for good. We anticipate around 15 members. | This year we are focussing on creating an internal club bond and how we can have a direct impact on our school (mostly through reducing waste and sustainability awareness) | A206 | Thursdays | Lunch |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|-------------------------------|-----------------|--|---|---|-----------------|------------|-------------|
| FASHION DESIGN CLUB | Ms. Bellmond | Since Charles Frederick Worth, the father of haute couture in the mid-nineteenth century, first sewed labels onto the garments he created, costume design has completely turned the clothing industry upside down. Today, fashion design is a global industry with a huge market potential. For members of our Fashion Design Club who have future career plans in the industry, we will be discussing at each meeting what is trending in the industry, elements of design, and providing some of the latest information on employment in the industry. For those without career plans, we will stimulate their interest and creativity to explore the most popular and beautiful designs of today. | We expect members to have a unique understanding of fashion or some experience in the fashion industry, but most importantly: a deep passion for fashion. We anticipate a membership of around 5 - 20 people in the club. | Our meetings are scheduled every Wednesday after school, and each meeting takes about 40 minutes. Every three weeks is a unit. During the first week within each unit, the president (or an invited guest) will introduce the latest trends and some fashion topics to the members and discuss it. The second week will be a work period where members will use this time to create their own favorite fashion designs. the third week is a show and tell time, where members will share their designs and give feedback on others' work. | A101 | Wednesdays | 3:00 - 4:00 |
| FITNESS CLUB | Ms. Marti | To educate students on topics such as healthy eating, healthy habits, healthy thinking etc. We wish to make students more aware of their personal choices, therefore allowing them to live a long and healthy life. | Judgement-free zone where people are comfortable describing how they feel and where they wish to be. | Teaching ways to train, recommending healthy recipes, adjusting towards peoples wishes. | Gym/Weight Room | Thursdays | Lunch |
| FP COMMUNITY CARE CLUB | Ms. Tran | The vision for the Fleetwood Park Community Care Club is to present the student body with a promising organization that is focused on offering easily accessible and valuable volunteering opportunities. This gives way for the FP community to give back to the people of Surrey with local outreach initiatives. Participants will gain a whole wealth of knowledgeable leadership skills and social/civic responsibility. Activities outside of weekly club meetings involve volunteering, fundraising with a focus on the homeless and less fortunate people in our community. | Anticipation of 30 members by the end of the 2021/2022 school year. Club members should be prepared to participate in weekly meetings and activities outside of school. | We hope to operate on a weekly basis. During weekly meetings, club members will prepare and brainstorm upcoming club events and how we can improve on-going outreach initiatives. | A319. | Thursdays | Lunch |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|---|------------------------|---|--|---|-------------------------|-------------------------|-----------|
| FPTV-FLEETWOOD PARK TV | Mr. Gough / Mr. Shantz | We intend to bring back FPTV with a "Live" broadcast that can tie together the many ongoing of Fleetwood Park Secondary. | Students will research topics, cover school events and team to produce a broadcast. | Meetings will be mid-week at lunch | Yearbook Room / Outside | Mid Week (TBD) | Lunch |
| GARDENING CLUB | Mr. Church | To provide opportunities for students from all grades to grow plants in our amazing greenhouse. To learn different ways of cultivating flowers, herbs and vegetables & to enhance our school garden. Meeting will be held on the TEAMS virtually when needed and in person in A317 or green house during lunch when needed throughout the year. | Keep our greenhouse as a place to learn how to culture plants. 18-20 members expected (4 executive members) | We meet over Teams virtually when needed and in person to organize scheduling in the greenhouse and work in the school garden | A317 / Greenhouse | When needed | Lunch |
| GSA CLUB (GAY/STRAIGHT ALLIANCE) | Ms. Anderson | To create an inclusive & safe space for LGBTQ2S+ students; to advocate & celebrate the community; to create awareness & visibility in our school | Open to whole school; fluid in membership | Microsoft Teams & Instagram | A208 | Fridays | Lunch |
| IMPROV CLUB | Mr. Rossiter | To engage students in improv-based theater activities that develop quick & critical thinking and expand the students comfort zones | Attend weekly "classes"; bring positive attitude; respect student leaders | | B107 - Theatre | Wednesdays | Lunch |
| INVESTING CLUB | Mr. Manak | To teach students about the importance of financial literacy and long-term investing in order to build generational wealth through various means of investing. | Members are expected to attend in person meetings to watch presentations, engage in investing related activities. Listen to guest speakers, etc. 10-20 members are expected to attend every meeting. | Meetings can range form general meetings where members will be taught about investing related topics (options trading, historical events, movie breakdowns, etc.) all the way to guest speaker events where a guest comes to speak about an investing related topics. | A218 | Mondays | Lunch |
| LIBRARY/MAKE RSPACE CLUB | Ms. MacDougall | Our club supports and promote all thing Library. This year we are also combing with the Makerspace. | Open to all. Currently 65 members | Library Promotion/Social Media; Makerspace; Surrey Teens Read Books; Displays | Library | Tuesdays | 3:00-4:00 |
| MEDIA LITERACY CLUB | Mr. Borst | To highlight the dangers of fake news, and to teach our school community to be analytical when seeing things online. | Co-Presidents: Imneet Deol, Jasmit Viridi & Maha Khan | Online platform | Teams | Every second week (TBD) | TBD |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|----------------------------------|------------------------------------|--|--|---|------------------------------------|-----------------------|------------------------------|
| MODEL UNITED NATIONS CLUB | Mr. DeWeger | To open an opportunity for students within the school to experience the community and wonders of the world of MUN. I want to spread the joy of representing countries, coming up with solutions and solving crisis with the students of FPSS | 5-10 members | I will be teaching the basics and rules of procedure with MUN. Also teaching the club members how to write different papers and work on speech abilities | A219; B108; P4 | Mondays or Wednesdays | 3:00 |
| MULTI-MEDIA CLUB | Ms. Tran, Mr. Shantz, Mr. Rossiter | Multi-Media club strives to work with a variety of media such as small podcasts and fictional films for students to express their passion in fine arts, technology, and music. Through podcasts, students will be able to collaborate with the student body and other staff members to generate interest in clubs or courses. Teachers will be able to share more about their own experiences with the student body, forming a closer community in the whole school. Giving students the chance to create short films allows them to step back from the academic side of school, and express their creative abilities and imagination. | All club members will be expected to participate in some form in the creation of content (eg. video, audio, and editing) and speak in a way that would be appropriate to be shown in a classroom setting. Recorded podcasts and short films will be thoroughly checked by executive members and the sponsor teacher prior to being shared with the school and community. The anticipated number of members participating is around 25 students, and everyone will be regularly reminded to follow Covid protocols as they would during class. Current executive Members: Todd Xu, Carol Dong, and Francine Halim | Meetings will take place outside in the courtyard after school or on Microsoft Teams when there is poor weather. Activities will be tailored to what the club is currently working on. Meeting plan for the year: Bi-Weekly meetings/activities | Microsoft Teams / In the courtyard | Mondays | 3:00-3:45 (Starting mid-Oct) |
| NEWSPAPER CLUB | Mr. Grant | To learn the importance of journalism and learn valuable writing and editing skills while connecting student bodies to each other and tell a story | To participate and get involved with the process and with our school as a community. 15-20 people | Meet and discuss opportunities and activities going on throughout the school. | Online or A307 | Wednesdays | 3:30 |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|------------------------|---------------------------------|--|---|--|----------|---|--------------|
| OPERATION SMILE | Ms. Kotsalis | To help FPSS students develop awareness about children born with cleft lip or cleft palate in remote locations around the world, and the volunteer, global medical community that provides the transformative surgeries free of charge. The club aims to engage students through education and volunteer opportunities to support this non-profit organization. | General meeting: Bi-weekly on Thursdays / Executive meetings: Wednesdays at 3:15pm | Club activities will continue to build awareness through seminars, but will also include fundraising and volunteer opportunities | A201 | Bi-Weekly Thursdays (general meetings) | 3:15 |
| PEN PAL CLUB | Ms. Tran, Ms. Ikeda, Mr. Nociar | For students to write back and forth weekly with Fleetwood Park Secondary's ELL students. Through this, members can gain volunteer hours, valuable friendships, and opportunities to help improve their own and others' reading and writing comprehension. This club also focuses on writing letters to help everyone feel less isolated during this period of uneasiness. | There are two executives, Aditi Purushothaman and Jasmine Zheng. We expect around 15 at average from students, and have from 12 - 18 ELL students. Members are expected to be respectful, kind appropriate in letters. Students are also expected to commit. If they join and pair up with another student, they are expected to maintain that connection until the end, unless they have a valid reason that they provide the execs or sponsor teachers with. If a student is unable to complete a letter, they are expected to inform an exec or teacher a few days ahead so appropriate measures may be taken. Once again, this is a commitment! | This club will be exchanging letters between ELL students and the general student body. Letters may incue interests and such, as long as they are appropriate. | A305 | Bi-Weekly - Wednesdays (collect/distribute letters) | After school |
| PHILOSOPHY CLUB | Mr. Robinson | To discuss philosophy and its history and to gain knowledge and experiences around everything philosophy has to offer. Meetings will be held on every Wednesday at lunch in Room C102. | Members are asked to have open views in philosophy and be interested in having discussions on such views in a serious manner | At meetings there will be a short briefing on a philosophy subject and a discussion about each topic | C102 | Wednesdays | Lunch |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|--|-----------------|---|--|---|-------------------|------------|--------------|
| PROGRAMMING CLUB | Ms. Stusiak | To teach members how to program and give them the opportunity to practice their skills in projects and competitions. Also to prepare them for the CCC. Depending on member interests, we will go over different topics. A few include CCC training, game design, raspberry pi, web design and computer vision. | Around 15-20 members | Events may also be hosted, such as mock competitions, hackathons, and more. | A220 | Mondays | After school |
| REACH OUT FUNDRAISING / VOLUNTEERING CLUB | Ms. Tran | ReachOut works with UNICEF to help support children in third world countries. Our goal is that through holding multiple fundraisers and awareness campaigns, We can protect the rights of those who are less fortunate than us and spread knowledge about the struggles or social issues people face around the world. To those who decide to join club, hope to instill this same passion and sense of duty. | Anticipated numbers include an executive team consisting of 8 people as well as around 30 general members. Students who join will be expected to attend weekly meetings at lunch, volunteer when they are able to, and help promote our events / fundraisers to the rest of the school community | Members will meet weekly to discuss current social issues as well as the humanitarian causes they are passionate for brainstorm ideas for potential fundraising activities, and collect volunteers to help out with events. | A319 | Mondays | Lunch |
| RETRO GAMING CLUB | Mr. Gough | The Retro gaming club brings classic games to life for fun and interesting challenges for students. Meetings will be held in Retro Gaming Room every Tuesday from 3:00-4:30pm. Students must wear masks, wipe down controllers and when possible bring their own controllers for the more modern systems. | 15-25 students. Must wear masks, wipe down controllers and, when possible, bring their own controllers for the more modern systems. | Varied retro game challenges / group challenges | Retro Gaming Room | Tuesdays | 3:00 - 4:30 |
| STORY WRITING CLUB | Mme. Chong | To inspire students to be creative and share their ideas in a supportive learning environment whilst having fun and boosting their creativity. | Members should be accepting and supportive of each other's ideas while following Covid protocols. We are expecting 10-20 members. | Each week, members will be given a writing prompt to write a story about. After a week, members will vote for and decide which story they like the best. Every Wednesday, new prompts will be given out. | A308 | Wednesdays | After school |

| Club Name | Teacher Sponsor | Statement of Purpose | Description of Membership | Operation | Location | Dates | Times |
|---------------------------------|-----------------|---|--|--|----------|--------------|-------------|
| SENIOR MATH CONTEST CLUB | Ms. Stusiak | SMCC is a senior version of math challenges club. We want to establish a platform to help students who are interested in senior level challenge questions or senior math contests like Euclid Contest. SMCC will help students to have a foresight of advanced math, prepare the contest, build up their own contest team, and achieve a satisfactory score in these contests. | Members have to be above Gr. 10. Members have to be passionate about mathematics. Euclid Contest Team: Students who want to enroll in ECT will have to finish the pre-cal 12 course before January and should have enough time to do preparation: attend most of the meetings; do work regularly (since the contest is highly competitive, which will bring much pressure to you, make sure you don't get too stressed or overwhelmed) | The meeting is scheduled every Tuesday and Thursday afterschool. We will have different teams that have different meeting schedules Tuesday is for ECT that we will be working on Euclid Contest preparation. Thursday is more relax and we will have some discussion and group work for some "fun math problems". Also, students who are interested in other contests can build up their team like "Fermat Contest Team". Teams are relatively independent but they can use recourses and supports from the club. | A219 | Tues/Thurs | 3:00 - 4:30 |
| TECH SUPPORT CLUB | Ms. Stusiak | To give students hands on experience with fixing school equipment | Gr. 10-12 students. Ten members | Checking inventory, fixing tech problems in the school. Meeting once a month. | A220 | Once a month | |
| THE AKADEMEIA | Mr. Johnson | The Akademeia is a club about philosophy, psychology and logic. The club activities take the form of individual research and semi-academic discussions. Our purpose is to discuss and refine our understanding of the world and our personal values through discussions based on scientific facts and expanded through logical reasoning. It is a fun semi-academic environment for like-minded people to engage in fun and meaningful conversations. | Members must be open-minded and ready to have their ideas challenged and criticized. Must be able to engage in heated discussions without taking things personally. Must treat other members with respect at all times. | | P4 | Monday | Lunch |
