May 2021,

Dear Parents and Guardians,

School Fee Information

Each school year, parents support their child(ren)'s formal school learning experiences in a wide variety of ways. We appreciate all that you do to ensure a successful year.

In addition to providing the school supplies, parents may periodically be asked for monies to support special events and/ or field excursions. No student will be denied the opportunity to participate in an activity. Please contact the principal should your child require financial assistance.

School fees for 2021-2022 may change due to circumstances in schools as a result of COVID.

Student Planner fee: Planners are **\$5.00** for students in grades 1-7. Planners are one way to facilitate home/school communication, as well as, another way to develop students' organizational skills.

Musical Instruments: Grade 7 students take band and either purchase or rent an instrument from a music store. Costs vary depending on the instrument. More information from our Band teacher will be shared in September.

Grade 4 students may learn to play the recorder. More information from our music teacher will be shared if recorders are required.

Kindergarten Students: A fee of \$40 is collected from each Kindergarten parent/guardian to cover the costs of all Kindergarten school supplies for the school year.

School Supplies: Parents have the option of purchasing school supplies online through Creative Packs (www.creativepacks.ca), and payment is made directly to Creative Packs. Information has been posted on our school website and emailed to parents. Supply lists for each grade have been posted if you choose to purchase supplies.

Field Studies and Field Trips: Classes often enjoy educational visits to community facilities that extend and enhance the curriculum. While we use school monies and fundraise to assist in covering the costs of such activities wherever possible, there are times parents/guardians are asked to contribute towards the cost of a field trip. If you choose to have your child not participate in a field study or field trip, a suitable program will be provided at school.

Sincerely,

Mrs. Bertholm
Principal

Mrs. Deol
Vice Principal
