School Fee Information for 2024 – 2025

Each school year, parents support their child(ren)'s formal learning experiences in a wide variety of ways. We appreciate all that you do to ensure a successful year!

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact the principal should you require any financial assistance.

Student Planner: We encourage all students in Grades 1-7 to purchase a School Planner at a cost of \$5.00. Included in the planner is our school code of conduct, school calendar and school district information. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills. However, using our school planner is optional as a parent may purchase their own version.

School Supplies: Parents have the option to order grade specific school supplies directly from School Start or do the purchasing themselves. School supply lists will be forwarded to parents and posted on our Woodward Hill website. Costs for supplies will vary based on grade and will not exceed \$65.00 per student. Individual teachers may request additional supplies in September and will let parents know during the first few weeks of school if additional supplies are requested. This year our Kindergarten teachers have chosen to purchase class supplies at a cost of \$55.00 per student.

Field Studies and Field Trips: Classes often enjoy educational visits to community facilities which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

Musical Instruments: Grade 4 students may learn to play the recorder. Students will have the option of purchasing one through our music teacher for \$10 (cost tentative) or receiving one on loan from the school. Also, our Grade 7 students who take band either purchase or rent an instrument. Costs vary depending on the instrument.

Thank you

Brad Issel, Principal
