Dear Parents/Guardians,

Each school year, parents support their child(ren)'s formal learning experience in a wide variety of ways. We so appreciate all that you do to ensure a successful year!

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any activity that is necessary to cover curricular requirements.

As we plan for the 2019/2020 school year, we anticipate the following costs:

Student Planner: We encourage all students in Grades 1-7 to purchase a School Planner in September at a cost of \$5. We find a planner to be an excellent tool for facilitating home/school communication, as well as for developing our student's organizational skills. However, using our school planner is optional as a parent may purchase their own version.

Field Studies and Field Trips: On occasion educational field trips are offered to students which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

Musical Instruments: Our Grade 7 students who take band can either purchase or rent an instrument. Costs vary depending on the instrument.

School Supplies: Parents have the option to purchase school supplies as a package from Creative Children. Those wishing to purchase supplies on their own can find lists on our website for grades 1-7. Kindergarten parents will receive a summer mailer with details outlining the kindergarten supplies which will be bought in bulk and not run more than \$40.

Please do not hesitate to contact me should you have any questions.

Mr. P. Taylor
Principal
