Principal: Ms. Anne Smith

Dear Parents and Guardians,

Each school year, you play a vital role in supporting your child(ren)'s learning journey in many important ways. We sincerely appreciate all that you do to help ensure a successful and rewarding year!

Attached, you will find an itemized school supply list organized by grade to help you prepare for the upcoming year.

As we plan ahead, please note the following anticipated costs:

Student Planner:

We encourage all students in Grades 1 through 7 to purchase a School Planner at a cost of \$5.00. The planner includes our school code of conduct, school calendar, and district information. It serves as an excellent tool to promote home-school communication and helps develop students' organizational skills. While we recommend using the school planner, purchasing one is optional — parents may choose to provide their own version.

Field Studies and Field Trips:

Throughout the year, classes may participate in educational field studies and community visits that enrich and extend classroom learning. Whenever possible, we use school funds or organize fundraisers to cover these costs. However, there may be occasions when parents are asked to contribute toward trip expenses. For students who do not participate in a field study, an alternative, appropriate program will be provided at the school.

In addition to the grade-specific school supplies, there may be occasional requests for contributions toward special events or additional items. Please be assured that no student will be excluded from any school activity due to financial constraints. If you require financial assistance, do not hesitate to contact the Principal confidentially.

Kindergarten School Supply Fee:

Supplies for Kindergarten students are purchased directly by the teachers. Parents are asked to provide a payment of \$55.00 to cover these supplies. Payments can be made directly to Bridgeview Elementary School.

Thank you for your continued partnership in supporting your child's education. We look forward to a wonderful year ahead!

Warm regards,

Bridgeview Elementary School
