

Dear Parents and Guardians,

To support students during the suspension of in-school instruction, the Surrey School District will continue to provide meals to students participating in our Breakfast and/or Lunch Programs. Students can receive a bag of prepared food items for lunch and a snack each day.

### **What You Need To Know**

- Meals will be available starting Monday, March 30, 2020, between 10am to 1pm, on regularly scheduled school days (not stat holidays or weekends)
- Meals are only available for students currently enrolled in the Breakfast Club or Lunch Program
- Walk up and drive through services will be available at all locations
- You will be asked to provide the student name, school and division at time of pick up

### **Pick Up Location**

Guildford Park Secondary  
10707 146 Street  
Surrey, BC

### **Pick Up Time**

10am to 1pm

**To maintain social distancing during the Coronavirus pandemic, please send just one person per household to pick up your students' meals (if possible) and remember to stay 2 meters away from others. While we miss seeing all of you daily, the meals are designed to be "grab-and-go" rather than "stay-and eat."**

Please contact Mrs. Chambers, Principal, at [chambers\\_l@surreyschools.ca](mailto:chambers_l@surreyschools.ca) if you have any questions or require additional information.

Thank you!
