## SCHOOL SUPPLIES

### GRADE ONE

**2024/25**

There will be no school supply lists for Grade One students. Teachers will be doing a bulk purchase of supplies to be divided amongst all students. All students will have quality items that are required. The cost will be \$55.00 per student. Once students are in their final classroom placements in September, the charge will become available in School Cash Online. No cash payments will be accepted.
