Dear Parents & Guardians:

We are looking forward to seeing learners next week on Thursday, September 10th and Friday, September 11th. We wanted to provide some details about where students will be dropped off and picked up on these two days.

To maintain physical distancing on Thursday, September 10th and Friday September 11th students will be in small learning cohorts of 10 students or less. Signs will be posted on the grounds indicating where students should meet and wait for a teacher. The maps of where students will meet a teacher are attached below.

Please note that the teachers greeting students on Thursday and Friday may not be the classroom teacher they are assigned to for the school year. On Thursday and Friday students will be reviewing health and safety protocols and routines. It is important for students to attend on these days to receive instruction on health and safety, and to confirm enrollment. Students attend on the following dates and times. Please note that the district has set these times:

- Thursday, September 10th & Friday, September 11th
 - Students in Grades 1, 2, 3, & 4 attend for 1 hour only from 9:00a.m. to 10:00a.m.
 - Students in Grades 5, 6, & 7 attend for 1 hour only from 11:00a.m. to 12:00p.m.
 - Kindergarten students will be divided into smaller learning groups for gradual entry. Additional information on the kindergarten gradual entry calendar was emailed to kindergarten parents and guardians.
- Monday, September 14th
 - Students in Grades 1, 2, & 3 attend from 8:35a.m. to 2:35p.m.
 - Students in Grades 4, 5, 6, & 7 attend from 9:05a.m. to 2:35p.m.
- Tuesday, September 15th
 - Students in Grades 1 to 7 from 8:35a.m. to 2:35p.m.

If you are choosing to have your child participate in the *Surrey Blended: Elementary Transition Program* a reminder to register your child by Tuesday, September 8th by 4:00pm. Students who are registered in the Surrey Blended program do not lose their space at White Rock Elementary. For more information on the [Surrey Blended: Elementary Transition Program click here.](#)
