Ms. M. Larsen, Vice Principal

Mr. D. Muir, Vice Principal

PRINCIPAL'S MESSAGE

Welcome to the start of the 2020-2021 school year. Needless to say this school year is shaping up to be something very different to what we are accustomed. There are a range of feelings both in the school and in the community about how best to move forward but I can assure you we have been working exhaustively to provide the safe and caring environment families count on us for! September is always an exciting time as we look forward to a year full of possibilities and opportunities. Welcome back to all of our returning Cougars and a most sincere welcome to Enver Creek for all of our new students!

Typically, at this time of year there are many questions that families and students have and this year this is ten-fold. As we reach out with our first newsletter of the year, we hope to communicate all of the information that is necessary to get the school year started off positively. I hope you can find time as a family going through this newsletter and discuss all of the information that is relevant to your child(ren).

The structure of how Enver Creek is organized this year is definitely different but the focus remains on providing deep learning opportunities that develop the young people in our community both intellectually and socially. Learning is an active exercise so approach your daily learning with a positive, can do attitude and I know our staff will be here to support you.

We will have to work together more than ever this year to ensure that schools, families and students are communicating and connected. We will need to be creative in our approaches and patient with each other. Despite the obstacles we face, I am confident that both students and their families are in for a great year as part of the Enver Creek school community!

Included with this newsletter is important information about school start-up procedures. You will find:

- Instructions for parents on how to access their students' timetables online.
- Instructions for parents on how to pay school fees online.
- Procedures for timetable changes and new student registration.
- A school map.
- Information about student fees & course enhancements.

TIMETABLE CHANGES

Timetables are now available for all students through MyEd BC. Please look closely at your Quarter 1 class schedule at this time. Timetables are tentative right now. Please look again on Wednesday afternoon for an updated schedule. There will be no face-to-face meetings with counsellors over the first few days for students to request course changes.

Counsellors will only be looking at course changes for Quarter 1 at this time and the request must meet at least one of the following criteria:

- Registered in a course for Quarter 1 that has already been completed in summer school
- Registered in a course for Quarter 1 but you have not completed the previous course (eg. registered for Socials 10 but have not completed Socials 9)
- Only 1 scheduled course in Quarter 1

If you meet the requirements above and require a change, complete the [Course Change Request form](#).

There will be an opportunity to request course changes for Quarters 2-4 during Quarter 1.

NEW STUDENT REGISTRATION

Until further notice, all new registrations throughout SurreySchools will be done online. Please visit: www.surreyschools.ca/K-12Schools/StudentRegistration for more information.

PARENT CONSENT FORMS

Note that Media / website consent and Web 2.0 tools consent forms for Grade 8's and students new to Enver Creek will be distributed by your A block teacher. Please ensure these are reviewed, signed and students and parents/guardians and returned to school promptly.

Student Orientation Days

****Please check your MyEdBC Student Portal account on Wednesday afternoon for an updated schedule.****

If you need a MyEdBC password reset, please email ENVR-Portal@surreyschools.ca with your full name, student number and birthdate. New temporary passwords are issued once per business day. When resetting your password, please be sure you are using a desktop computer and not a wireless device (cellphones, iPads, or laptops with wireless connection may NOT work).

COURSE SCHEDULES ONLINE!

Enver Creek Secondary provides student schedules and report cards through the MyEducationBC (MyEdBC) Family Portal for Parents and Guardians.

Information on accessing the Family Portal can be found on the school website www.envercreek.ca under the “Parents” tab. If you already have a Family Portal Account, it will remain the same. If you are new to MyEducationBC and you have provided the school with a valid email address, that full email address will become your Login ID. After September 4, 2020, new users will receive an email from sysadmin@MyEducationBC.ca with a temporary password to initialize their access to the Family Portal.

IMPORTANT: *Please ensure that you set up your account and make ALL password changes on a wired desktop computer and NOT on a wireless device (i.e, smartphones, iPads, laptops may NOT work).*

The Family Portal will allow you to access your child(ren)’s course schedule, report cards, attendance information and much more.

The portal can be accessed at:

<https://www.myeducation.gov.bc.ca/aspen/logon.do>

A mobile site is available at:

<https://www.myeducation.gov.bc.ca/aspen/logon.do?mobile=1>

In the Family Portal parents and guardians with an account can view:

- class attendance information
- contact information
- some classroom assessment information
- student schedules
- student course requests for next year
- school information
- published report cards
- a school web page that contains resources and information for parents and students

Security

MyEdBC is a secure student information system used in most school districts in the province of BC. Security is guided by the rules and regulations of the School Act and Freedom of Information and Protection of Privacy Act (FOIPPA). If you have any questions or concerns please contact your school principal.

Instructions for accessing the Family Portal are located on the school web page under the *Parents* tab: [Family Portal User Instructions](#)

STAFF CHANGES

As occurs each year, Enver Creek has had some staffing changes for 2020-21. We are pleased to welcome Ms. Al-Sammarraie (Math/Science), Mr. Dauda (Tech Ed), Ms. A. Garcha (Home Ec/English/Law), Mr. Hatch (BASES), Mr. Huynh (Math), Mr. Martin (English), Mr. Muir (Vice Principal), Ms. Neumann (HOPE), Ms. Tomnuk (Counselling), Ms. Vanderhoek (Home Ec), Mr. Weeratunge (Music) and Mr. Wilson (English/Languages). Our school community has also said farewell to several teachers this past June. Our very best wishes go to Ms. Davies, Mr. Dhasi, Ms. H. Gill, Mr. Humphreys, Ms. Macgregor, Ms. Mand, Mr. McGennis, Mr. Orso, Mr. Racette, Mr. Sohrevardi and Mr. Twamley. These teachers have done wonderful things for our school and we wish them well in their new assignments. The following staff will be on leave this fall and returning to us later in the school year: Ms. K. Young, Ms. A. Wiest, Ms. A. Ebbett, Ms. A. McRae, and Mr. R. Heredia.

CAFETERIA SERVICE

Our school has an excellent Hospitality Training program operated by our Chef. This program provides a valuable educational option for many of our students, and a convenient lunch service for students and staff. Menus are posted on the public display screens throughout the school. Service levels may be impacted by COVID-19.

STUDENT AGENDA

The Enver Creek Student Agenda contains information vital to success at Enver Creek, and is also a useful tool for planning and organizing course work, homework and other activities. Students in Grades 8 will receive a printed agenda as well as access to an electronic version via our school app. Students in Grades 9, 10, 11 and 12 will receive the electronic version only, but can request a printed version if desired. Parents and students are encouraged to review the *Student Code of Conduct* and our *Policies and Procedures*. Following are excerpts from our Student Agenda:

Dress Regulations

Students at Enver Creek are required to dress in a manner which is appropriate for a working and learning environment, and which is suited to the activity in which they are involved. The school's dress code is not intended to stifle freedom of expression.

Any clothing with drug, alcohol, sexually explicit or suggestive designs, profanity, threatening, derogatory or discriminating language is not suitable. Footwear must be worn at all times inside the building for reasons of health as well as appropriate grooming. Hats or other non-religious head coverings are not to be worn inside the building.

Enver Creek Digital Tools Guiding Philosophy:

Enver Creek recognizes that appropriate and responsible use of personal electronic devices enhances student learning. At no time should these devices interfere with an individual's right to privacy, and a safe and caring learning environment.

Guiding Principles:

- Classroom use is planned, purposeful, and educationally motivated as determined by the teacher.
- Students will observe respectful use within the school environment, including hallways and common areas.

Helpful Guidelines:

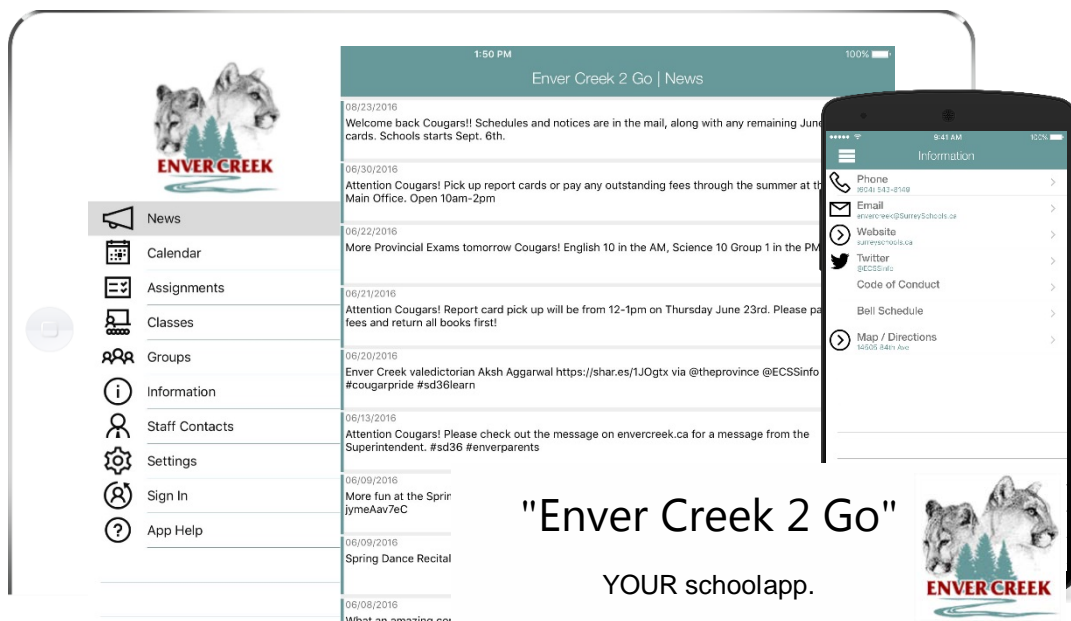

- The teacher determines when cell phones/digital devices are used in class.
- Any recording of any individuals without their permission will not be tolerated.
- Cell phones and digital devices can be used before school, lunch time and after school.
- Between the blocks it is the responsibility of the student is to be in class on time and not on their phones...cell phone use during class change is not acceptable.

We strongly advise students to leave valuable personal possessions at home (i.e. cell phones, AirPods). The school does not accept responsibility for any lost or stolen property.

ENVER CREEK GENERAL SCHOOL FEES 2020 - 2021

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey secondary schools, the following structure applies through Board Policy 9802 related to fees and any costs for students or families. Students will need to provide their own basic supplies and equipment for their own personal use such as paper, writing tools, calculators, notebooks, gym attire and sewing kits, and some other items needed for various electives. Workbooks may be provided to students on loan, or they may be purchased for personal use. Students can also elect to purchase other support materials (professional resources including practice examinations) through their teachers. Some courses such as Textiles and Woodwork provide students with the option of using different or better quality materials, which may be brought from home or purchased from the school at cost. Some courses, such as AP (Advanced Placement), offer optional certifications or external examinations for which there are charges. If you wish to discuss the implications that these charges may have on your son or daughter, please contact our school administration.

BASIC STUDENT ACTIVITY FEE

The basic Student Activity Fee **has been waived for 2020-2021** during Stage 2 of BC Education's Restart plan.

OPTIONAL ENHANCEMENTS AND EXTRACURRICULAR ACTIVITIES

Accounting 11 workbook*	\$30.00
AP Examination fee (<i>per exam</i>)	\$100.00
Fine Arts, Home Economics, Technology Education	
<i>Students can elect to enhance their personal projects through special purchases of materials.</i>	
French 8 workbook*	\$2.50
French 11/12 workbook*	\$2.50
Math 9-12 workbook*	\$5.00
Punjabi 10/11 workbook*	\$5.00
Science 9-12 workbook*	\$15.00
SciMatics 8 workbook.....	\$10.00
Spanish 9-12 workbook*	\$3.00
Yearbook (optional) (Early bird price until Jan 1 st \$50.00)	\$60.00

**Workbooks for personal use are recommended but not compulsory for purchase.
The fee represents cost recovery only.*

Please pay online by registering at surreyschools.schoolcashonline.com or make cheques payable to Enver Creek Secondary School.

Online payment of fees should be available to all registered 2020-2021 students as of **September 14th**. Students who are unable to pay online may pay in person, **by cheque only**, payable to Enver Creek Secondary School, at the school office before school, at lunch or after school. Due to COVID-19, no cash payments will be processed.

REPLACEMENT CHARGES

Students will be assessed a charge for lost or damaged school property (textbooks, Library books, uniforms, etc.) Charges will be based on the replacement cost of the item. Students are expected to return the same textbook they are issued so it is important to label your text with your full name and pupil number, and avoid lending textbooks to other students.

MATERIALS CONSUMED IN A COURSE

In courses that consume materials (e.g. art, cooking, woodworking, metalwork, science) schools can only charge for materials or goods that are surplus to what would be necessary for the student to meet the expected outcomes in a course. If a student is going beyond the basic requirements of a course and creating projects for personal use (e.g. creating a table from mahogany rather than plywood), then the student may bring their own materials from home or the cost for the materials for these enhanced projects may be recovered through a fee.

Which payment methods are accepted?

Credit Card

Pay with Visa or MasterCard on School Cash Online by entering your credit card number, CVV number (the three digits on the back of your card), card expiry date, and billing information.

eCheck

An electronic version of a paper check used to make payments online. Anyone with a checking or savings account can pay by eCheck on School Cash Online.

myWallet

An online wallet that can be loaded to hold funds and then used to pay for your child's fees on School Cash Online. myWallet allows you to allocate funds to pay for school fees at a later date.

SCHOOL SUPPLIES

As each student will have a different schedule and different teachers, we do not provide a list of required school supplies. If you wish to purchase some items prior to the start of school, the following are general supplies used for most classes:

3-ring binders (approximately 1 ½")
Supply of loose-leaf paper
Index dividers
USB flash drive

Ruler
Glue Stick
Pens, pencils, erasers
Pencil crayons
Scissors

Please do not purchase a calculator until your child has spoken with his/her Mathematics teachers. Teachers may have specific requirements for each class and will advise students of those items during the first week of school.

FIELD TRIPS

Students may be charged a cost for expenses such as transportation, accommodation, meals, entrance fees and equipment rentals for optional field trips, or other extracurricular outings or events. Students will not be charged for any field studies/field trips where attendance is mandatory as part of a course or program.

MEDIA COVERAGE / WEBSITE CONSENT / WEB 2.0 TOOLS

"*Media / website consent form*" and the "*Web 2.0 Tools consent form*" will be distributed by A block teachers and will be required for all grade 8 and new students to Enver Creek Secondary School. These forms are to be completed once at the secondary school level and will be valid until graduation, unless a new form is submitted to change consent. Please note that continuing students will receive forms when information verification is requested in October, if no form is currently on file.

All Enver Creek students will have a school email address and internet access for their educational use.

ATTENDANCE – LATE TO SCHOOL/MISSED CLASSES

There is a strong relationship between good attendance and success at school. Our students are expected to be at school on time and to attend classes punctually and regularly. Failure to adhere to these simple requirements may result in disciplinary action. Often students who are driven to school are late to their first class because of congestion created when many vehicles arrive at the same time. Parents who drop off students can help by planning to arrive well before classes begin and/or dropping off their students away from the main entrance.

If your child will be absent from school, or will be arriving late or leaving early, we ask that a parent call our office at (604) 543-8149, before 9:00am if possible. Students who need to leave before the end of the school day MUST sign out at the School Office either with a signed note from a parent/guardian or a confirming phone call.

For student safety reasons, we do ask that parents call the school office to make necessary arrangements should they have an emergent need to take their child(ren) out of class during the day.

EXTENDED ABSENCES

Each school year we are approached by an increasing number of parents who wish to take their child(ren) out of school for extended periods of time. Enver Creek Secondary does not sanction the absence of any student during the school year for any reason other than illness or bereavement. However, we understand that time with families is important and travel distances sometimes mean that school absences are unavoidable. Please be aware that any planned absence greater than five (5) school days requires the student to complete an Extended Absence form and the parents must arrange to meet with the Principal prior to departure to ensure a clear understanding of the academic impact of such absence.

WE SHARE THE AIR ~ BE SCENT-AWARE

Many Enver Creek students and staff members have significant allergies and sensitivities to perfumes, aftershaves and other strong fragrances.

Thank you for helping us contribute to a "SCENT SAFE" environment by refraining from wearing scented products.

PARKING

We have ample parking for Enver Creek staff and students. Students are reminded to park in designated areas only, on the south side of the parking lot.

EXTRA-CURRICULAR ACTIVITIES - BEING INVOLVED!

Extra-curricular activities are a valuable part of the school's education program. The School Board provides guidelines to ensure that:

- an approval process is in place for extra-curricular activities,
- there is consistency in the formation and operation of extra-curricular activities, and
- consideration is given to the safety and well-being of students involved in extra-curricular activities.

Our school is proud to offer a range of school-based structured activities for students. These include athletic activities and clubs that extend beyond normal school hours and operate under the supervision of a staff member or an approved adult supervisor.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose.

We anticipate that the following extra-curricular activities may be offered during the 2020-2021 school year. The activities offered will be subject to being able to maintain a physical distance, securing an approved sponsor and will be based on the level of student interest.

Athletics:	Badminton Basketball Cross-Country	Field Hockey Soccer Rugby	Track & Field Volleyball Ultimate	Wrestling
Clubs:	Bhangra Board Games Chess Intramurals Dance Teams	Drama Environmental Awareness Team Grad Council Multicultural	Outreach Charities ECY4S – <i>Ever Creek Youth for Science</i> Rainbow Alliance (GSA) Robotics	Students' Council Weight Training Writing

If you require further information about any of the above extra-curricular activities please contact the administrative staff.

GRAD INFORMATION

Information about Graduation Events, such as Dinner/Dance and Commencement, will follow in the coming months.

Grad Photos

Grad photos will be taken later this fall. Details will be posted at Artona.com and more information will be forthcoming.

Grad Council

The Grad Council meeting day will be established in September. All Grade 12 students are welcome to attend and help with fundraising activities and various events. Join in with your ideas and get involved! Grad sponsor teachers are Ms. Pillay and Ms. Randhawa.

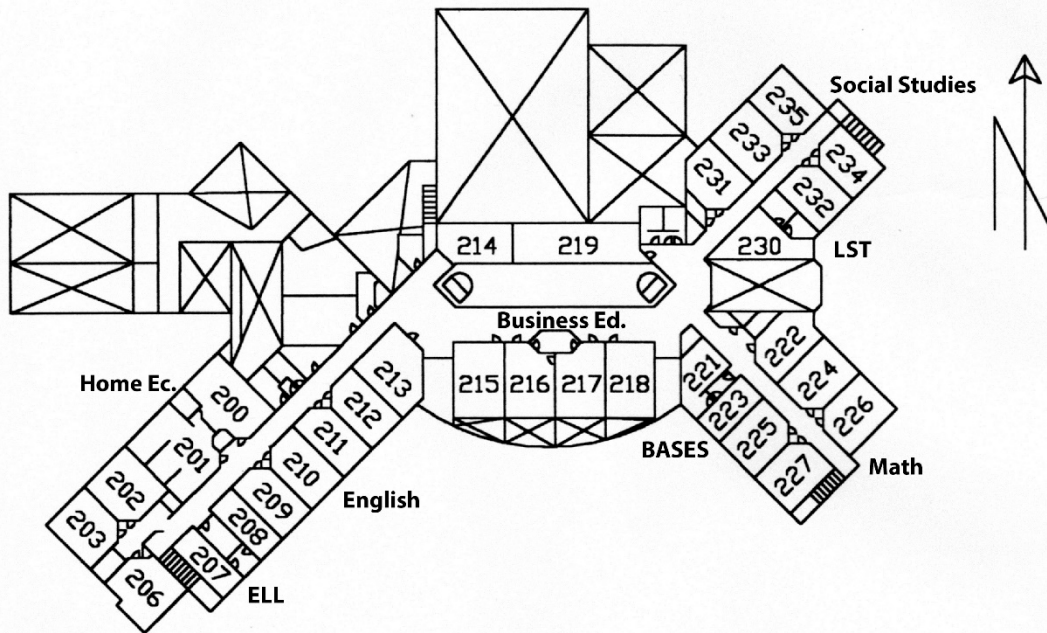

To be a member of the Grad Class of 2021, a graduate must have a grad plan that enables them to graduate in a timely manner (i.e. by August of their Grad year).
