

September 4th Parent reminders

School calendar & bell schedule: find it on our website (bottom, orange Publication banner). Please note, Orange Shirt day is October 1st, not October 30th as it came out on our last newsletter.

Sign up to receive newsletters/email blast outs: Subscribe on the front page of our website. Simply enter your email address, submit and confirm the email sent to you. This is how all school information is corresponded.

Student medicine kept at the office:

All medication kept at the office, must have a medical form that has been reviewed, signed and updated if necessary, for this school year. School staff will not be authorized to administer medication without an updated form on file. The parent/guardian must bring medication that children require at school, to the office and update or fill out a new medical form. Medication should not be sent to school with your child.

Extra clothing:

All students should have an extra change of clothes brought to school and either kept in their back pack or classroom cubby. This also applies to older children as they still can slip and get wet or muddy. This will avoid a phone call at home/work to bring your child a change of clothing.

Lost & Found:

Please have your child check our lost and found bins around the corner from the front foyer. Many classrooms have been cleaned out from last year and you may find some of last year's items.

Absent or Late Students:

Please ensure you are calling the school office at 604-576-9184 if your child is going to be absent or late.

Cash online payments:

All school fees, such as fieldtrips, planners, supplies etc will now be paid through our cash online system. Please see the attached instructions and sign your child(ren) up to prepare for this school year. When there is an item to be paid, you will receive an email reminder.

Thank you!
