

How To Administer Team and Club Photos:

Parents and Students interested in ordering team photos can do so by going online to order their photos.

Please direct them to log onto:

www.lifetouchevents.com

Guest Password: SHEPHERDTEAMS

They will be able to see, purchase and ship photos directly to their home.

We kindly ask for your assistance with this new process as we are attempting to lessen the work load for the office administrators.

Sincerely,

Lifetouch Canada inc.
