

2026/2027 Daily Bell Schedule & Student Fees

The Daily Bell Schedule and Student Fees for the 2026/2027 school year were distributed to all parents and guardians of students currently registered to attend Sullivan Heights next year. While there are minor changes to the daily bell schedule and student fees, they are largely the same.

The school remains on an extended, five-block schedule with students in grades 8 and 9 having classes in blocks A-D and students in grades 10, 11, and 12 having classes in blocks A-E with the inclusion of a non-enrolling “flex” block in their schedules. The schedule remain fixed, which means the block order will not rotate. This provides predictability and year-to-year stability, while also supporting the scheduling needs of some specialty programs. As a result of the number of total school days next school year being reduced as compared to this year, each block of learning (on regular days) will be two minutes longer than this year. There are 14 early dismissal days of two different types.

As shared at the previous PAC meeting, the 2026/2027 student fee schedule formatting has been adjusted to align with a new District standard template, which is intended to make the student activity fee, along with enhancement fees, clear and understandable. The fees themselves are, for the most part, closely aligned with the current school year’s fees.

If anyone has any questions or concerns about the schedule or fees, they should reach out to a school administrator.

May Highlights

- The Graduation Dinner & Dance and Dry Grad events took place on Friday, May 29th. Students had a wonderful 12 hours of celebration, starting with a family and friends Red Carpet check in, wonderful speeches, food, and dancing at the Dinner & Dance at Newlands, followed by hours of more laidback but equally enjoyable fun at The Rec Room for Dry Grad. Huge gratitude to the staff, student volunteers, and organizing parents and guardians for making these events such a success!
- The Student Council school Carnival was a big success! Many students and community members came by to play student-led games and activities on Friday, May 15th.
- Spongebob: The Musical performances ran from May 13-15. The Theatre Company and Concert Band did a fabulous job bringing us down to Bikini Bottom!
- On May 27 and 28, most of the 430 incoming grade 8 students attended our Articulation events here. Students met student leaders, staff, and other incoming grade 8 students and took the first steps in truly becoming Stars.
- On a similar note, we hosted our *Grade 7 (Almost Grade 8!) Information Evening* on May 5th. Hundreds of incoming grade 8 students and their parents and guardians heard from a grade 8 student panel, got a brief overview of what to expect coming into grade 8, and got tours through the school.

June Events

- June 2: Athletic Banquet
- June 10: Commencement
- June 12: Provincial Assessments (Grade 11 & 12 Catch Up)
- June 17: Scholarship Tea
- June 19: Final Day of Regular Classes
- June 22: Student Recognition Night
- June 22-26: Course Completion Days
