SPEC School Gardens Program

Environmental Education

K-12 Schools & Out of School Care

SPEC has an established reputation for facilitating enviromental literacy programs for all ages and abilities. The School Gardens Program provides guidance, age appropriate curriculum and practical, and interactive lessons to suppport your school garden.

We offer a range of programs from specialized workshops, ProD workshops, garden lessons, garden site assessments and out of school care programs from afterschool garden clubs to seasonal day camps. Themes are adaptable and range based on your K-12 school's learning goals. Subsidies ae available, however it is contingent on funding.
