

Hello GG Parents,

The PAC has launched a new fundraiser, just in time for spring. We are working with a local farm in Chilliwack called Growing Smiles to bring you flowers, veggies, herbs, succulents and gardening soil/fertilizer.

Delivery will be [on May 8, 2021](#), time of pickup will be determined closer to the deadline (should be early afternoon). Pickup will be in front of the school and all safety protocols will be in place.

Mother's Day will be the day after delivery and the beautiful hanging baskets, flowers and succulents will make the perfect gift. Who doesn't like flowers?

If you are about to start your garden, there are also a variety of veggies and herbs that you can purchase. All items come in a 10 pack of mixed variety.

Please visit the website below to place your order.
