## About Us

The Surrey Schools Welcome Centre provides support to all newcomer and English Language Learner families new to the school district. Multilingual staff provide information, orientation, and assist with transition to schools. In addition to supporting your settlement needs, we help you support your children with adapting to school, so they may achieve strong academic and social learning outcomes.

## What We Do

Facilitate Intake, School Registration, and Orientation

Support the Transition to School and Life in Canada

Support Student and Family Engagement with Schools

Enrich Learning Opportunities for Newcomer Youth

Cultivate a Welcoming School Environment
