STEAM K-7 ELEMENTARY BLENDED PROGRAM

Learning without limits...

Surrey Academy of Innovative Learning (**SAIL**) is a blended interdisciplinary school where students learn through inquiry and project based learning using a variety of digital tools in a **Makerspace** environment.

STEAM focuses on Science, Technology, Engineering, Arts and Mathematics to prepare **K to 7** students for a rapidly changing world.

The SAIL Academy's **STEAM** program offers a special focus on developing independent learners, critical thinkers, collaborators, innovators and contributors. In this interdisciplinary program, students learn through inquiry and project based learning.
