CODING **DIGITAL ARTS** CLASSES

CLOVERDALE ROBOTICS LEARNING

CODING CLASSES

AFTER-SCHOOL PROGRAM
WEDNESDAYS: ONE DAY A WEEK

Our program is designed to identify and nurture each child's talents and passions in technology. Younger students (ages 6 to 9) will ignite their passion for technology through hands-on programming. Advanced students will delve deeper into concepts with challenging, hands-on projects.

Spark your child's passion for technology and unlock pathways to exciting, rewarding tech careers! Register now to ignite their future.

Limited Spots Available – Register Now!

CODING

School Dismissal/2:30 PM to 3:45 PM

Age 6 to 9 years:

Fun and interactive Scratch-based coding program! Designed for kids aged 6 to 9, our classes teach the basics of coding through exciting games and animations, helping young learners build confidence as they create their own games and projects (rather than playing the games).

MONTHLY AUTOMATIC RENEWALS.
$24.75/DAY (~99/MONTH)

CODING & DIGITAL ARTS

School Dismissal/2:30 PM to 4:30 PM

Age 6 to 9 years:

Introduce your child to coding (details on the left) and digital arts classes! Coding runs from 2:30 pm to 3:45 pm, followed by Digital Arts from 3:45 pm to 4:30 pm. In our Digital Arts program, kids will learn the essential techniques of digital drawing, painting, and design—unlocking their creativity and opening doors to endless possibilities in the exciting world of digital art and technology

MONTHLY AUTOMATIC RENEWALS.
$35/DAY (~140/MONTH)

DATES: Coding and Digital Arts: Wednesdays, Jan 8, 2025 to Jun 11, 2025

LOCATION: Rented community space at 19233-60 Avenue, Surrey, B.C. Canada V3S 2T5.

NOTE: Parents need not pickup students at school dismissal. Instead pickup at the end of the program (3:45 pm/4:30 pm).

STARTING JAN 8, 2025
