## Welcome Back!

Welcome back everyone! I hope you all enjoyed your two week spring break, spending quality time with family and friends.

This month, we will be enjoying all that spring has for us. Spring is the start of new beginnings - baby animals, grass, plants, flowers, and much more. Everywhere you look, things are growing and changing. It is an exciting time for curious minds to notice and explore. We will be doing plenty of that in the classroom this month. Also, **Earth Day is Monday, April 22**. Think of ways we can help keep our planet clean.

**We will be making Earth Day hats to display in the gym. More information to come...**

## Surrey Celebrates Earth Day!

Surrey's "Party for the Planet" at **City Hall Plaza** is one of the largest Earth Day celebrations in BC, and it's free! Earth Day is intended to inspire awareness for the Earth's natural environment, and Surrey has a lot to be inspired by. There will be something "green" for everyone at this event.

**Date: Saturday, April 13, 2019 (10:00am to 6:00pm)**

## Spring Safety Tips for Playing Outside

- Check bikes, wagons and helmets to ensure they are still in good working order before allowing children to use them.
- When going to a playground, do a quick sweep to ensure there are no hazards for your child before they play.
- Always remember to bring your child's water bottle with you for outside play.
