

ELGIN PARK - STUDENT CLUBS – 2024/2025

Student Club	Sponsor Teacher	Meeting Times	Meeting Location
ABC Detective Club: Club purpose is to strengthen student’s logical thinking ability and biological knowledge through the study of different cases.	Mr. Leeder	2:35 – 3:35 PM Weekly	Room 145C
Anime & Cosplay Club: showing ACGN cosplay culture, organize an anime convention and cosplay performance and board games for relaxing.	Ms. Li	Fri after school monthly	Room 111C
Anti Racism Committee: This is a committee that connects once a week to discuss on how to make sure our school has ways to celebrate all learners and their stories. We use compassionate system tools to unpack racism and have dialogue on how to ensure our students all feel a sense of belonging in our school community.	Ms. Sharma	Wed at Lunch	Room 130S
AP Club: Aid students participating in AP programs in achieving their goal scores, as well as creating an environment where each can study while helping their peers.	Mr. Kwan	Thurs after school bi-weekly	Room 243C
Art Club: to provide arts and crafts workshops to the student body and raise money for the food bank as well as our own program.	Ms. Davidson, Ms. Li	Tues after school	Room 115C
Art 2 Heart Club: we will be doing a joint program between Art Club and the Art 2 Heart. For Art 2 Heart, a lot of the work/art that we do will be donated to seniors homes in our community.	Ms. Davidson, Ms. Li	Tues after school	Room 115C
Black Student Union: To promote diversity support, educational opportunities, activism, connection, communication and leadership among Black students and the school community.	Ms. Hogan, Ms. Sharma	Thurs after school biweekly	Library
Beyond Athletics: Supporting South Surrey Youth in building connection, enhancing their athletic and interpersonal skills while engaging with community.	Mr. Black	Wed at Lunch	Room 143C
Biking Club: To get kids of all levels outside and active. We will go on after school bike rides in Crescent Park and South Surrey Athletic Park.	Mr. Weiss	Thurs at lunch	Room 160C
Chess Club: The purpose of chess club is to create an environment in which players can learn, compete, discuss and have fun through the game of chess. The goal is to build a community of chess players who can represent our school at a provincial and even national level.	Mr. Pereira-Costa	Wed after school 3-4 PM	Room 235S
Christian Fellowship Club: Discuss/Share our values as Christians, especially as it connects and deals with culture. Learn and discuss the history of Christianity and people in the faith.	Mr. Pereira-Costa	Fri at lunch Weekly	Room 235S
Creative Writing Club: To provide an environment for students to improve their storytelling, writing skills, and to get feedback/assistance with their works.	Mr. Moffett	Tues after school	Room 203N
Computer Programming Club: To further enhance the interest of those who wish to learn about computers and programs.	Mr. Tsang	Mon and Wed after school	Room 130S
Create Change Club: To help fundraise for community causes and involvement, also to bring awareness to societal issues.	Mr. Ellett	Tues at lunch	Room 208N
CAP Club (Care/Art/Performance): We believe that art, music, dance etc can bring people joy and hope. The club will perform for nursing homes, charity agencies, orphanage’s and bring the lonely ones happiness.	Mr. Henderson	Thurs after school	Room, 147C
Dance Club: To provide a space where students can learn and enjoy various dances, offer an opportunity to develop self-expression, learn the importance of team work and collaboration, showcase talents and make a positive impact through dance.	Mr. Wu	Fri after school	Room 143C
Debate Club: To provide an environment for students to learn debate and find tournament opportunities. To form a debate team.	Mr. Pereira-Costa	Mon/Fri after school	Room 235S
Diabetes Awareness Club: Lead by example and create a safe place for students/staff that have Type 1 or 2 diabetes to chat.	Mr. Grave	TBD	Room 134S
Elgin News: To keep students updated on school and world news. To serve as an instrument of communication for staff to students. To increase school spirit.	Ms. Ellett	Fri at lunch	Room 207N
EPS Karaoke Club: Create an atmosphere where peers feel safe to express themselves with their voices. It’s a fun, all-inclusive club that promotes authenticity as well as self-expression.	Mr. Weiss	Wed at lunch weekly	Drama theatre

EPS Technology Club: To educate peers in fields of 3D printing, computer science and biotechnology.			
Garden Club: To improve and maintain the Courtyard and provide an outdoor interactive learning environment where students can relax and connect with nature.	Ms. Trevelyan	Wed lunch and after school	Room 107N
Game Design & Development: Introducing students to the process of designing and developing a video game through coding, 3D modeling and the use of Godot Engine which is an open-source tool used for the development of video games.	Mr. Tsang	Thurs after school	Room 132S
Guitar Club: The Guitar Club will be a place for guitarists, no matter their skill or proficiency, to practice, learn and play together. In addition, veteran players can help new guitarists.	Mr. Black	Thurs after school	Room 143C
IELTS Club: Our club mainly focuses on supporting all students who need to take IELTS test and offering them a friendly, inclusive and diverse studying environment.	Ms. Williamson	Tues/Thurs after school	Room 248C
Little Heros, Big Hearts: For students, contribute to a real-world cause, BC Children's Hospital, and to gain recognition for their work. In addition, the club has partnered with an organization for fundraising to BCCHF and we hope to advance medical research.	Mr. Black	Mon or Thursday Lunch and afterschool	Room 143C
Math Support Club: We hope to support our fellow students in Math and Physics, provide a positive learning environment for members to study, work and tutor.	Ms. Hill	Tues after school	Room 233S
Peer Leadership Council: Service driven club, supporting school wide events.	Ms. Janzen	Ongoing	Careers
PROUD: Sogi initiatives	Ms. Wagner	Tues at lunch	Room 238S
Psychology Club: The club wants to help students better understand different mental health and psychological illnesses and host many fun events.	Mr. Webb	Wed at lunch biweekly	Room 103N
SPCA Outreach Club: SPCA outreach wants to amplify the silent cries of our affectionate furry friends and transform the painful echoes into loads of love, hope and positivity	Ms. Cottrell	Thurs at lunch	Room 101N
Surrey Youth Leadership Club: Plan and hold events to raise money for the Surrey Food Bank.	Ms. Fowler	Wed at lunch	Room 163C
EPS Science Club: Spark interest in science and introduce science concepts which students may not be familiar with.	Mr. Quan	Varied, ask any science teacher	Room 102N & 106N
EPS Student Council: To improve school spirit and host enjoyable events to increase school culture. STUCO will represent the wishes of the student body and represent it.	Ms. Ellett, Mr. Pereira-Costa, Mr. Black	TBD	Room 143C
Tabletop Games Club: Play board games, socialize & have fun.	Mr. Casteran de Jeanceon	Tues after school	Room 152C
TCG Club (Trading Card Games): A place where students can engage in the playing of trading cards, a hobby otherwise rather inaccessible here in South Surrey. Trading card games help improve strategical thinking and promotes better student relationships as students are forced to interact.	Mr. Wu	Thurs after school	Room 125C
Tutoring Club: To help students excel in their curriculum by providing student/peer tutors. To provide opportunities for students to broaden their knowledge.	Ms. Hogan / Ms. Fowler	Wed at lunch	Room 163C
