Dear Hjorth Road Families,

School Fees for 2025-2026

Each school year, parents/guardians support their child(ren)'s formal learning experiences in a wide variety of ways. We appreciate all that you do to ensure a successful year!

We will provide itemized school supply lists based on grade on our school website. This list will also be sent home with students. Parents/guardians have the option of purchasing their child's school supplies on their own utilizing the grade supply list or for your convenience, you may wish to purchase supplies as a package through School Start. The total cost will not exceed \$65 per grade (Grades 1-7). Costs for supplies vary based on grade. Payment is made directly to School Start. However, parents may choose to do the purchasing themselves. Fees for school supplies for Kindergarten students (\$40) will be paid directly to the school during the first week.

As we plan for the upcoming school year, we anticipate the following costs:

Student Planner: We encourage all students in Grades 1-7 to purchase a School Planner at a cost of \$5.00. Included in the planner is our school code of conduct, school calendar and school district information. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills.

Field Studies and Field Trips: Classes often enjoy educational visits to community facilities which extend and enhance the curriculum. While we use school monies or fundraise to cover the costs of such activities wherever possible, there are times when parents/guardians are asked to contribute towards the cost of the trip. If you choose to have your child not participate in a field study, a suitable program will be provided at the school.

Musical Instruments: As part of the Music Program, students may be learning to play the recorder. If this instrument is needed, parents will get a form and be asked to contribute to the cost.

In addition to providing the school supplies itemized on a grade list, parents are periodically asked for monies to cover specific items and/or special events. No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact me should you require any financial assistance.

Sincerely,
Ms. Reena Chohan
