

A Place for Young Dancers to Belong, Grow, and Thrive

STUDIO NORTH ↑

Canada's #1 Dance Studio

Hi there!

We're Scott & Carmen Forsyth, co-founders of Studio North. As professional dancers, we know that dance is about more than just competition – it's about connection, community, and doing what you love with people who truly get you. That's why we created Studio North: to provide world-class training in a place that feels like home.

Now with locations across the country, Studio North is internationally recognized for our world-class teachers, training, and facilities. We offer drop-in classes, programs, and competitive teams, but more than that, we're a community of artists who show up for each other – growing, creating, and doing life together.

Wherever you are on your dance journey, welcome home. We can't wait to meet you!
