SPRING 2025

TEENS: VOLUNTEER AS A BIG BUDDY!

We're looking for teens, ages 14-18, who enjoy working with kids. You'll be paired up with a younger student and spend time each week practicing reading together and doing fun literacy activities. This is a great way to get volunteer hours. Training is provided.

READY TO APPLY?

Applications will open at least five weeks before the program start. Scan the QR code or apply online on the city **My Impact** page.

Questions?
Ask Library staff for more information.
