

Program Descriptions

Spring Break Creative Writing

 Ages 9-12

Join us for an online creative writing workshop with Madeline Ewanyshyn. For kids who love to read stories and want to try to write them too!
Registration opens March 9

Preteen Book Club

 Ages 11-13

We'll have a lively discussion about the book and play fun, friendly games. You will need to read the book before each meeting. We will send you the title in your meeting invitation. *Registration opens February 15*

Preteen English Conversation Circle

Ages 10-12

Practice speaking English in a fun and friendly online group setting with other pre-teen English language learners.

Spring Break I Can Paint! Special

Ages 5+ and their caregivers

Join us for a messy, paint-themed storytime and craft! An adult may need to help your child to complete this craft. *After registering, you will need to pick up a free kit at your local Surrey Libraries branch. We will notify you when it is ready. Registration opens March 1*

Spring Break Outdoor Fun

 Ages 6+

At Fleetwood Branch – Francis Park

Join us for a Spring Break program with outdoor games, activities and crafts. *Register by phone (604-598-7346) or in person at Fleetwood starting March 16*

Spring Break Fun

 Ages 9-12

Join us online for creative crafts, activities and fun! *After registering, you will need to pick up a free kit at your local Surrey Libraries branch. We will notify you when it is ready. Registration opens February 23*

Spring Break LEGO® Challenge

 Ages 5+

Join us for online LEGO® challenges. You will need a small collection of LEGO® blocks to participate. Other brands of building blocks will also work well. *Registration opens March 3 for March 16 program and March 18 for March 23 program*

SFU Let's Talk Science: Budding Biologist

Ages 5-8

Join us for a budding biologist workshop. You will learn about animal habitats and conservation through hands-on activities. *After registering, you will need to pick up a free kit at your local Surrey Libraries branch. Registration opens Feb. 25*

UBC Geering Up: Creative Coders

Grades 5-7

In partnership with UBC Geering Up. Join us to learn about coding and computing technologies. We will use block-based coding to learn the theories behind computer science. All skill levels welcome. *4 sessions—each the same. Registration opens March 1, 10 am*

Let's Talk Science: Space

 Ages 9-12

In partnership with SFU Let's Talk Science. Join us for a space science workshop. You will learn about space science with a special focus on constellations and the moon through hands-on activities. *After registering, you will need to pick up a free kit at your local Surrey Libraries branch. We will notify you when it is ready. Registration opens Feb 17*

STEM Program

 Ages 8-10

Learn about STEM with games and activities! Let's explore science, technology, engineering and math. *Register by emailing SDAndrews@surrey.ca*
