Surrey Schools—SD #36

Surrey, with more than 82,000 students, 140 school sites, and over 13,000 employees, is the largest and fastest growing school district in British Columbia. Surrey is one of the youngest and most culturally diverse cities in Canada, located in beautiful British Columbia, just minutes from Vancouver.

At the heart of Surrey Schools is a district-wide shared vision for learning – Learning By Design – where we prepare our learners for a world in which they think creatively and critically, communicate skillfully and demonstrate care for self and others.

To apply for all roles within Surrey Schools:

1. Visit our Surrey Schools Careers Page under [Current Opportunities](#). This will take you to Make a Future, an job posting platform.
2. Apply to positions you are qualified for (Teacher, Support Staff, Management).
3. Upload supporting documents.
4. Ensure you get confirmation email from Make a Future that your application was submitted successfully.

Join Surrey Schools and be part of our vision for the future!

All teachers teaching with Surrey Schools require a valid BC Teaching Certificate. For more information please visit [BC Teachers Regulation Branch](#) to determine what requirements you need to obtain a BC Teaching Certificate.
