

## **Volunteers Needed!**

Friday, September 17th is Terry Fox Day at Bridgeview!

Every year we mark the legacy of this incredible young man by staging a Terry Fox Run in our neighbourhood.

We would love to have about 8 volunteers to help us along the route as the students run by!

This event is weather-dependant so, if it rains on Friday, we will postpone until following Friday. if you do volunteer, please make sure you can make yourself available for both days in case of cancellation. Please phone the office to let us know if you can spare some time for this event!

You will be needed from about 12:45 until all the kids have run by so maybe count a maximum of an hour. It will probably be less. The students will be running up to and around the Community Centre and back and we will have parents staged at intersections along that route. When you call the office we will give you your location so you can get yourself ready for the Bears!

We all know by now that Terry Fox did an incredible service in raising money for the fight against cancer. Did you know that he raised \$1.00 for every Canadian at the time? How about we continue that legacy and try to raise \$1.00 for every Bridgeview Bear! Our goal would then be to raise \$155! Can we do it? Let's give it a try! All money raised is immediately donated to The Terry Fox Foundation.

Thank you for helping to continue the fight against cancer!
