

**I. COURSE DESCRIPTION**

Woodworking 10 is an introductory level course that provides students of all skill levels with the opportunity to learn technological literacy, aspects of the design process, hand skills and machining processes.

**II. COURSE GOALS**

This course will follow the Applied Design, Skills, and Technologies (ADST) curriculum from the BC Ministry of Education. For your reference the curriculum can be found here:

**III. SUPPLIES REQUIRED**

- Bring the **course binder** with paper, pen and a pencil to class. **Not a mechanical pencil.**
- Bring your **SHSS planner** to class, **you will need it.**
- **SAFETY GLASSES MUST BE WORN AT ALL TIMES IN THE SCHOOL WOOD SHOP AND METAL SHOP - NO EXCEPTIONS.** Bring your own or buy them for \$4. Safety glasses are available in the school shops but students will need to sign them out and will be responsible for their care during the semester. If abuse is noted then they will be required to replace the glasses.

**IV. BEHAVIOUR**

1. Bring your supplies to every class; items left in the class are at your own risk.
2. **Do not leave your work area (designated shop) without permission.**   *initials –parent & student*
3. Please Do Not Talk when I am teaching.
4. Disruptive, rude and inconsiderate behavior will not be tolerated. You are expected to have respect for each other, the technology facility, and myself. In extreme cases, such as willful vandalism to the facility or another’s project, or repeated unsafe behavior, students may be withdrawn from the course.
5. **ASK FOR PERMISSION TO USE THE MACHINERY**   *initials –parent & student*
6. **Do Not Use Suspicious Equipment or Machines, that is either under repair or malfunctioning.**    
  
*initials –parent & student*
7. **Only use machinery or equipment that you have observed a SAFETY demonstration for and for which you have received a mark of 100%**    
  
*initials –parent & student*

**8. No personal stereo equipment or cell phones in class.** They are distracting and may become lost or damaged during the class. If it is not put away on the second warning it will be sent down to the office to be collected on your own time.

**9. Keep all your notes, handouts and tests in your binder.**

*It is very important that the parent / guardian ensure that the student understands these very important requirements.*
