THEATRE COMPANY & TECHNICAL THEATRE

Theatre Company and Technical Theatre produce the mainstage shows for the entire school and school community. These are audition only, after school courses for those who really want an in-depth experience of acting, directing, designing sets, to work with sound and lighting, or to create costume and makeup looks.

Auditions will take place in February of 2021 for the 2021-2022 school year.

- We will follow all BC Government COVID-19 physical distancing safety regulations. Performances and rehearsals may be live or virtual, dependent upon safety protocols.
