June 7th- Early dismissal Day

FYI:

Early Dismissal days

The following one-hour early dismissal dates for 2020-2021 were approved by the Board at its meeting on April 14, 2021:

April 30, 2021 May 14, 2021 June 7, 2021

These early dismissal days are to provide an opportunity for school-based health & safety committees and school staff to review and revisit health & safety plans, discuss recommendations, and implement or adjust any COVID-19 mitigation strategies.

Grades 8-9 afternoon classes will be dismissed at 1:55pm

Grades 10-12 afternoon classes will be dismissed at 1:25pm

Immunization

The Grade 9 immunization program has been temporarily suspended while our province focuses on vaccinations for COVID-19. Dates will be scheduled with schools as soon as possible. Please consider consulting with your health care provider or local health unit for further information regarding your child's grade 9 immunizations.

Quarter Schedule:

| Q1 (Sept. 14 – Nov. 13) | Q2 (Nov. 16 – Jan. 29) | Q3 (Feb. 1 – Apr. 16) | Q4 (Apr. 19 – June 24) |
|-------------------------------|------------------------------|-----------------------------|------------------------------|

Recognizing staff, students and families during Education Week | BC Gov

<u>News</u> The pandemic has presented many challenges for everyone in B.C's school system as it continues to face unprecedented times. Education Week begins Monday, April 12, 2021, and the Ministry of Education wants to acknowledge that, in spite of stresses and anxiety around the pandemic, teachers, support staff, administrators and trustees have shown incredible dedication and compassion.

Keeping Our Kids Safe

Keeping Kids Out of Gang Life

City of Surrey has launched a new educational website to help parents, caregivers and other trusted adults build protective factors and reduce the risks that make children and youth vulnerable to recruitment.

Visit the website to:

Recognize potential risk factors and warning signs

Learn about local gang trends that kids as young as 10 are exposed to

Better understand the challenges our children and youth face today

Find tips, tools, information, programs and resources to keep kids safe

Kudos:

Secondary Art Exhibition

Through the partnership of Surrey Schools and the Surrey Art Gallery, this year's Secondary Art Exhibition has been made available virtually for public viewing. The exhibition and video feature the works of 71 of our incredibly talented students, some of whom have shared their thoughts in the video. Please enjoy "Art by Surrey Secondary Students" on until April 30th at the Surrey Art Gallery, and available at https://youtu.be/t09JesmxV0o

Dry Grad:

Neufeld Farm Spring Fundraiser Info:

Hello Everyone,

Dry Grad 2021 Committee is doing the very popular Barbecue Neufeld Farms Fundraiser this year!

This is a great opportunity to stock up your fridges for the barbecue season. "Nothing says summer like a sizzling skewer on the BBQ!!"

Deadline: Orders need to be in and paid for by April 20th

<u>Pickup:</u> Order pickup will be on Tuesday May 4th at 5:00pm at the school (rear parking lot). Just in time for Barbecue Time :-)

Attached are the forms, please email them back to: arroma1992@gmail.com Maria Boothman is the coordinator of this fundraiser.

Payments will be accepted via cash, cheque and e-transfers.

NEW THIS SEASON:

Our TURKEY BREAKFAST SAUSAGE has replaced our Chicken Turkey Breakfast sausage. It's still lean and very frozen but does not come frozen together which makes it a very convenient product to work with! The CREAMY BACON PASTA COMBO is new and we are already getting great reviews! It's quick, it's delish, and it's locally made.... And did I already say BACON!? A great option for busy weeknights or lazy Saturdays! Just bake and serve with salad and garlic toast! YUM!

GLUTEN FREE:

We have added the GLUTEN FREE STRAWBERRY PIE to our dessert forms this season as well as the GLUTEN FREE CHOCOLATE CHIP COOKIE DOUGH!

Also, back by popular demand is our GLUTEN FREE Chicken Strips! Breaded and ready for your oven. Your customers will be thrilled to see that these are back! The ingredient list and nutritional information is available on Neufeld's website: www.neufeldfarms.ca (under the fundraiser tab)

Did you remember to get your mom a gift for Mother's Day? Need some help sprucing up your yard? How about supporting the Dry Grad Committee to raise funds so they can plan a spectacular event for the grads? How about you do all three by purchasing some gorgeous flower baskets?

Pick up information:

Date - Saturday, May 8th

Time - Early evening (exact time to be confirmed)

Location - To be determined

Please see the attached flyer for more details. Order deadline is Saturday, April 24, 2021.

Thank you,

Fleetwood Park Dry Grad Committee

Health and Safety:

Kick COVID to the curb in the final quarter!

Wednesday, April 14, 2021

Surrey Schools Elementary Health & Safety Video from Surrey Schools on Vimeo.

We're so close! Monday (April 19) marks the final quarter of the 2020-21 school year, and with just a few months left, the district is reminding everyone to be mindful of their health and safety as we head into the home stretch.

Now more than ever, it is important we continue to remain vigilant to ensure face-to-face learning can occur safely in our classrooms while limiting the spread of illness. Our ongoing safety measures include daily health checks, the Grade 4-12 mask mandate, frequent hand washing and physical distancing.

"The board would like to extend a big thanks to our students, parents and staff for their efforts to keep our schools safe since the start of the school year," said Laurie Larsen, Chair of the Surrey Board of Education. "With summer just around the corner, we hope to see our district finish strong as we continue to be diligent with our health and safety protocols, in line with the provincial health orders."

Here are a few easy ways to remember the district's health and safety protocols:

- Check Up: Every day, check to see how you are feeling, and stay home if you aren't feeling well. If you have symptoms, get tested.
- Back Up: Maintain physical distance of two metres where possible, including within your cohort.
 Try to keep your hands to yourself and only play with others in your class.
- Wash Up: Wash or sanitize your hands regularly, including after playing outside, going to the bathroom, when putting on or removing your mask, and before and after eating. Be sure to wash your hands for at least 20 seconds.
- Mask Up: All K-12 staff and Grade 4-12 students must wear a mask indoors. K-3 students are encouraged to wear a mask. Ensure your mask is clean and dry, is a good fit, and covers your nose and mouth fully. And remember, don't touch your face or play with your mask.

We understand it's been a long year for everyone, and we thank you all for your efforts that have allowed our schools to remain open through the pandemic. Keeping schools open keeps children and youth active and social with their peers, which is vital to their well-being.

Your vigilance has made face-to-face learning possible for thousands of students and staff, and we are grateful for our school communities that are protecting each other and following protocols consistent with public health guidelines and recommendations.

For all that you do to keep our schools safe, thank you.

School Exposure Notifications

The timing of each step may vary. This can be due to differences in the time it takes someone to develop symptoms after exposure, when someone gets tested, the number of cases being managed by public health, and the information available to public health through contact tracing.

Day 0

Nancy unknowingly exposed to COVID-19 outside of school.

Day 3

Nancy feels fine and has no symptoms. She attends school but may be able to spread COVID-19 to others.

Day 5

Nancy develops symptoms and stays home.

Day 6

Nancy takes a symptom self-assessment and gets a COVID-19 test.

Days 7+

Health authority is notified of Nancy's positive test result and contacts her. Health authority interviews Nancy.

They discover Nancy may have been able to spread COVID-19 at school.

Health authority contact traces to find out who Nancy's close contacts are at school.

Days 7+

Health authority notifies Nancy's close contacts by phone or letter. Close contacts will need to self-isolate. Other contacts may be asked to monitor for symptoms. The school district is notified.

Notification posted on health

authority website. Extra notification
may go out to the school community.

For more information, visit www.bccdc.ca/schools

1. STAY HOME WHEN SICK

All children and staff with common cold, influenza, COVID-19, or other respiratory diseases must stay home and self-isolate.

4. PHYSICAL DISTANCING AND MINIMIZING PHYSICAL CONTACT

Spread children out to different areas.

Take them outside more often.

Stagger lunch times. Incorporate individual activities.

Remind children, "Hands to Yourself!".

2. HAND HYGIENE

Everyone should wash their hands more often!

Thorough hand washing with plain soap and water for at least 20 seconds is the most effective way to reduce the spread of illness.

5. CLEANING AND DISINFECTION

Clean and disinfect frequently touched surfaces at least twice a day.

General cleaning of the centre should occur at least once a day.

Use common cleaning and disinfectant products.

3. RESPIRATORY AND PERSONAL HYGIENE

Cover your coughs.

Do not touch your face.

No sharing of food, drinks, or personal items.

Daily Health Check

| International Travel | Have you returned from travel outside Canada in the last 14 days? | YES | NO |
|----------------------------|---|-----|----|
| Confirmed Contact | Have you been contacted by Public Health and identified as a confirmed contact of a person with COVID-19? | YES | NO |
| | Has Public health instructed you to self-isolate? | YES | NO |
| Are you experiencing | any of the following <u>new</u> or <u>worsening</u> symptoms? | | |
| Key Symptoms of Illness | Fever or Chills | YES | NO |
| | Cough | YES | NO |
| | Loss of sense of smell or taste | YES | NO |
| | Difficulty breathing | YES | NO |
| | Sore throat | YES | NO |
| | Loss of appetite | YES | NO |
| | Extreme fatigue or tiredness | YES | NO |
| | Headache | YES | NO |
| | Body aches | YES | NO |
| | Nausea or vomiting | YES | NO |
| | Diarrhea | YES | NO |

*Check BCCDC's Symptoms of COVID-19 regularly to ensure the list is up to date.

If you answered "YES" to one of the questions included under 'Key Symptoms of Illness' (excluding fever), you should stay home for 24 hours from when the symptom started. If the symptom improves, you may return to theschool/district site when you feel well enough. If the symptom persists or worsens, seek a health assessment.

If you answered "YES" to two or more of the questions included under 'Symptoms of Illness' or you have a fever, seek a health assessment. A health assessment includes calling 8-1-1, or a primary care provider like a physician or nurse practitioner. If a health assessment is required, you should not return to the school/district site until COVID-19 has been excluded and your symptoms have improved.

When a COVID-19 test is recommended by the health assessment:

- If the COVID-19 test is positive, you should stay home until you are told by public health to end selfisolation. In most cases this is 10 days after the onset of symptoms. Public health will contact everyone with a positive test.
- If the COVID-19 test is negative, you can return to the school/district site once symptoms have improved and you feel
 well enough. Symptoms of common respiratory illnesses can persist for a week or more. Re-testing is not needed unless
 you develop a new illness.
- If a COVID-19 test is recommended but is not done because you choose not to have the test, or you donot seek a
 health assessment when recommended, and your symptoms are not related to a previously diagnosed health
 condition, you should stay home from the school/district site until 10 days after the onset of symptoms, and then you
 may return if you are feeling well enough.

If a COVID-19 test is not recommended by the health assessment, you can return to the school/district site when symptoms improve and you feel well enough. Testing may not be recommended if the assessment determines that

If you answered "YES" to questions 2 or 3, use the <u>COVID-19 Self-Assessment Tool</u> to determine if you should seektesting for COVID-19.

A health-care provider note (i.e. a doctor's note) should not be required to confirm the health status of any individual.

Revised by Health and Safety Department – February 12, 2021

"This Week at Fleetwood Park" - Principal's Message: April 12th - 16th

Good morning Dragons. Happy Vaisakhi and Happy Ramadan! We wish all members of our Fleetwood Park family happiness, good health and success during this special time of year!

This is the final week of Quarter 3. Our students have been busy finishing their final assignments and writing final assessments. As we have all experienced this year, the Quarter system has created highly condensed courses with very significant workloads and challenging timelines for students and staff. I would like to congratulate all students for the dedication and work ethic you have demonstrated throughout the year. We wish you the best as you conclude your current courses and begin a new learning pathway for the remainder of the year. I am confident that all Dragons will continue to work hard, focus on success and meet the challenges ahead. The final 3 months will move quickly... way to go Dragons!

Home of Dragon Pride "Building Successful Futures"

Thankfully we have been blessed with sunshine this week. Spring is such a beautiful time of year. Our students and staff have appreciated the warmth and fresh air; and this has helped us keep our hallways clear at lunchtime. We thank all students for following our Covid-19 Safety protocol by avoiding the hallways during break times. Students are required to either be in their morning classrooms or outside. Again, our thanks and appreciation for your support and understanding. Hopefully the weather will continue to cooperate over the coming months, and it will be easier to get outside.

Special thanks to our Dry Grad Committee for you work last weekend hosting our Clothing/Bottle Drive. Also, thanks to all community members who donated to our Dry Grad 2021 fundraiser. We look forward to recognizing and celebrating graduation with this special class of 2021 grads. We are hopeful that in the weeks ahead, we will all have some more clarity on what this will look like.

I recently had the chance to visit Mr. McDonald's "Youth Explore Trades" class. Students have been developing skills in carpentry, plumbing, electrical and metalwork. It is such an exciting, hands-on opportunity for our students to learn more about the Trades. They are proud of their work and enjoying their learning!

I would like to recognize and thank our Fleetwood Park Garden Club. This group of students and staff have begun working on our garden, cleaning up the Winter debris, preparing the soil for a new growing season and starting some new plantings. The garden is looking healthy; and we are anticipating another bumper crop this Spring/summer! Our club's next project will be the installation of "hoop house" greenhouse structures over some of the garden beds.

Home of Dragon Pride "Building Successful Futures"

Our planning for next year continued with this week's Department Head meeting on Monday afternoon. Thank you to Department Heads for your feedback with next year's timetable.

Our Health and Safety Committee also met this week. We reviewed the latest Covid safety guidelines. (Please see the attached District messages in this newsletter).

Our Scholarship Committee also met to review the scholarship applications. We have many hard working and deserving students at Fleetwood Park Secondary. Thank you to the members of our committee and kudos to all of the students who took the time to complete an application. Good luck Dragons!

Friday is Quarter Completion Day. Students/parents are reminded that although regular classes will not be in session, the school will be open. Students who require additional time/support to complete assignments and/or final assessments are requested to schedule an appointment time with your teacher. We are not able to accommodate drop-in visits due to Covid safety requirements.

Lastly, I would like to wish all members of our school community a happy Education Week! Please see the Ministry of Education's message in this newsletter. We should be very proud of what we have accomplished together over the past year. Fleetwood Park Dragons are resilient, flexible and creative. Working together, in support of our students and staff, we have built a very special learning community. Congratulations and thank you everyone!

All the best for a safe and happy Friday and weekend. See you on Monday for Quarter 4.

Ken
