## THURSDAY REVIEW

January 11, 2018  
Edition: 17

---

### Quotation Of The Week:

Education is the passport to the  
future, for tomorrow belongs to  
those who prepare for it today.

Malcolm X

January 29<sup>th</sup> – Semester #2 begins

### **In the News:**

[Student of the Week \(Fleetwood Park Secondary\)](#)-video

by Leah Bolton - Fraser Focus, JoyTV

Posted Jan. 8, 2018

DJ and Christian, Grade 12 students at Fleetwood Park Secondary, are featured for their leadership, work ethic and dance skills.

### **FYI:**

At Fleetwood Park, we have a Weekend Fuelbag club. The students involved in the club do fundraising, plan the grocery list, do the shopping and pack the bags for our students-in-need to take home every weekend. The bags contain 2 breakfasts, 2 lunches and snacks.

There is an easy way for you to help out our students!

Were you thinking of applying for the Loblaw Gift Card? (If you weren't thinking of getting this gift card, the idea of giving it to Weekend Fuelbag may make you reconsider.) It is easy to go on this website and get the card.

[www.loblawcard.ca](http://www.loblawcard.ca)

Thanks for supporting our program! Every member of the age of majority in the household can apply for a card.

You can drop the card off at the office or mail to:

## **This Week at Fleetwood Park - Principal's Message: January 8<sup>th</sup> – 12<sup>th</sup>**

Welcome back Dragons and happy 2018!

I hope everyone had a wonderful Winter Break with rest, relaxation, new adventures and time with family and friends. Welcome back to Fleetwood Park Secondary and our community of learners.

We are now in the final weeks of semester #1. Students and staff will be very busy between now and January 26<sup>th</sup> completing their curriculum and demonstrating their learning. The school will continue to nurture and support our students and we will continue to experience powerful learning opportunities and amazing stories of success. I wish all students the very best as you complete your courses over the next 3 weeks. Dedicate yourself to your studies, work hard, seek additional support as needed and be confident that you will succeed! We will be here to support you.

“Building Successful Futures”

On Monday morning there was a sense of excitement and new beginnings in the air at FPSS. Students were happy to meet with friends and staff and share their holiday adventures. It was wonderful to see so many smiles and reconnect with our Dragons.

This week we have begun the Course Selection process for next year's timetable. Counsellors will be visiting classes, holding assemblies and meeting with students over the next two months. All students are asked to think carefully about next year's courses. Review your educational goals with your parents and teachers, and choose your courses wisely. Please note that this is the time to review your options, ask questions and research future opportunities. Please also note that the school's timetable is constructed based upon your choices. There will be very limited opportunity for students to change courses after the timetable is built and staffed. Again, all students are reminded that the choices you make now will be used to create the master timetable for the school. Course changes after the course selection process will be very limited.

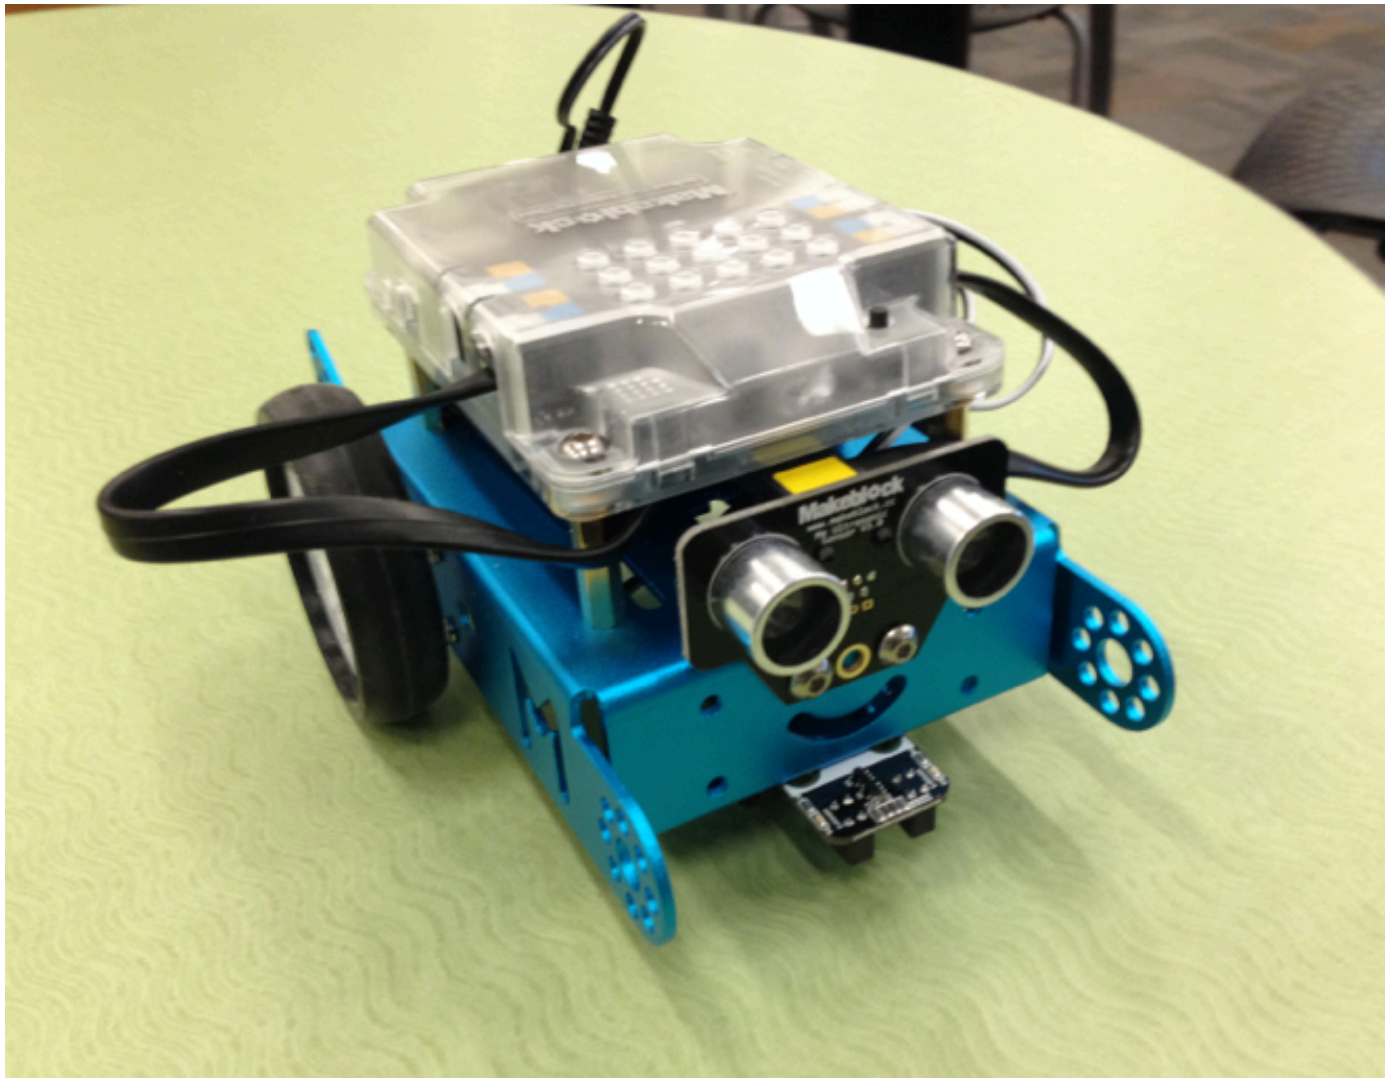

In order to support wise and deliberate course selection, we have scheduled a Course Information Fair this afternoon at 3:00pm in our Plaza. All students, parents/guardians are invited to join us, talk to our teachers, and learn more about the various courses that will be offered next year. This is an ideal opportunity for all students and their families to gather information that will help to support your ideal timetable and ensure that you enrol in courses that align with your

educational needs, your goals and your interests. We look forward to a great turnout this afternoon!

On Thursday and Friday, a fun tradition continues at Fleetwood Park Secondary with the Yearbook's "Friendship Photo" shoot. Students are invited to pose for Yearbook photos with your friends. The photo shoot will take place in B109 after school.

This week our new robots arrived! The Makerspace Club and Robotics club will be having fun learning how to build and program a variety of robots. All students are invited to join us – no experience necessary. The MakerSpace Club meets in the Learning Commons on Thursdays afterschool.

Again, welcome back everyone. We are happy you are part of our Fleetwood Park family, and we wish you all the very best of success as you complete your semester. Have a great day tomorrow, and enjoy your weekend.

See you on Monday.

Ken

**Mission Statement:**

*“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”*
