Thur. May 9, 2019	10:00 am—1:30 pm	Nick Day	University of Fraser Valley

Kudos:

Fleetwood Park's student Math Tutors have been making a difference this year at William Watson Elementary School! They have been providing tutorial support for grade 7 students. Their community service has been exemplary. "The feedback has been fantastic! Parents and teachers have been thrilled with the service -Thank you. Please extend a huge thank you to the students ..." Grade 7 teacher. Way to go Dragons!

This Week at Fleetwood Park - Principal's Message: April 29th – May 3rd

Happy Thursday Dragons!

As the risers for our upcoming Theatre production were being set up in the plaza this morning, and as our PHE 8 students were assembling to prepare for today's hiking fieldtrip, I was again reminded that Fleetwood Park is "buzzing" with learning activities! It is a fun and highly meaningful time of year for all Dragons.

Last weekend our FPSS dance teams were competing at the annual "Outbreak" Dance competition. Our Junior Dance team took 4th place and our Senior Dance team took 3rd place in this very high-level competition. Congratulations to all dancers on your successes and thank you for representing Fleetwood Park so well.

I would also like to recognize and congratulate our Gr.8/9 Girls' Soccer Team for advancing into the Surrey Finals. Good luck team!

On Monday, the Fleetwood Park staff met for our monthly staff meeting and had the opportunity to hear from a special group of student leaders who have been working on a school culture building project for several months. We are excited to announce that Fleetwood Park's "Amazing Race" is back! On June 5th teams of students and teachers will be competing for bragging rights as they take on a series of obstacles and mind-bending challenges. It will be a great afterschool event. Students and staff are highly encouraged to join us and enjoy the fun and school spirit!

On Monday, the Girl's Rugby team was in action. Way to go Dragons!

On Monday evening the Parent Advisory Council met and hosted Surrey School District Secretary-Treasurer Mr. Greg Frank and Manager, Demographics and Facilities Planning Ms. Kelly Isford-Saxon, for a discussion on the current and future enrollment projections and the District planning process. Thank you to Mr. Frank and Ms. Isford-Saxon for joining us. This was an informative and helpful review of Fleetwood Park's enrollment capacity challenges. We expect the enrollment of Fleetwood Park Secondary to continue to grow over the next several years; and we learned more about the District's 5-year capital planning process. All parents/guardians are reminded that our final PAC meeting of the year will be on May 27th at 7:00pm.

Tuesday was an exciting day at Fleetwood Park as we hosted the Surrey District's Junior Science Challenge. Students and their Science teachers from across Surrey joined us for the day as they participated in fun and thought-provoking Science challenge experiments and projects. It was a powerful day of learning and celebration of Science! Thanks goes to Mr. Thibeault and Mr. Lavoie for hosting and organizing this annual District event. Congratulations to our FPSS student-scientist participants!

This week our Make-A-Wish Club organized a special lunchtime competition to raise funds and raise awareness of this important charity. We have some extraordinary skipping skills in the school!!

Also this week, our Earth Day Club held a lunchtime Information and Awareness campaign... the ice cream cones were a big hit!

Our Fleetwood Park Track and Field team competes at the Surrey Championships tomorrow. Good luck to all team members; enjoy your day!

Students, parents/guardians are reminded that Friday, May 3rd is a District-wide Professional Development Day. Classes will not be in session. We wish all of our staff a rewarding day of learning.

Enjoy your Friday and weekend... see you on Monday morning!

Ken
