"This Week at Fleetwood Park" - Principal's Message: December 16th - 20th

Good morning to the Fleetwood Park Community.

It is the final week before our Winter Break, and after a very busy and eventful term, our students and staff are looking forward to some downtime and holiday celebration.

Last Friday our Senior Concert Band and Choir performed their Winter Concert to a full house of proud family and friends. The evening began with our Grade 10 Concert Band students entering the plaza from all corners while playing... it was a great start to a very powerful and entertaining evening of music. Congratulations to Ms. Sheridan, Mr. Gough and Mr. Robinson and all of our music students on your performance.

On Monday, we invited special Guest Speaker Mr. Jesse Miller to Fleetwood Park to speak to our graduating class. Mr. Miller is a leading expert in the field of Social Media and its influence on society. He provided a very relevant and important message for our students. Technology and Social media influence all aspects of our lives, and this influence will continue to expand. Our students left the discussion with much to consider regarding the power of communication and our responsibility to use it wisely.

On Monday evening, Ms. Landriault's Dance students entertained us with their Winter Dance Showcase. Again, we enjoyed a full house of talented students and proud and happy parents! The creativity and athleticism of our dancers was outstanding. It was an inspiring evening of dance! Congratulations to our Dance Program.

Home of Dragon Pride "Building Successful Futures"

Ms. Ziolkowska's Marketing students hosted their Entrepreneurship Fair on Tuesday at lunchtime. Teams of students sold their hand-made creations as part of this marketing project. There was a wide variety of very creative items on sale. Great work Dragons!

Over the past couple of weeks our PHE students have been hard at work with their Dance Unit. Groups of students have been choreographing their own dances, practicing their moves, and presenting to their fellow students. We have seen impromptu dance performances around the school throughout the week. Lots of fun!

Home of Dragon Pride "Building Successful Futures"

Wednesday morning began with our annual December Breakfast Staff meeting. This is a very nice tradition for our Fleetwood Park team and an opportunity to review and recognize all we have accomplished over the past four months. Special thanks to Chef Crema, Assistant Barbosa and all of our Culinary Arts students for your work in preparing our pancake breakfast. It was delicious!

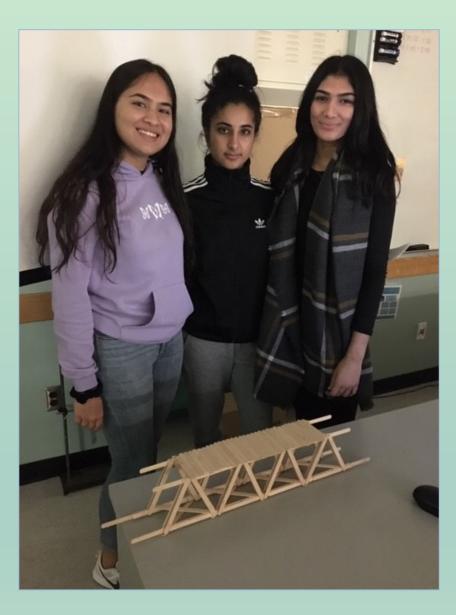

Our Make-a-Wish Club has been very active over the past weeks coordinating the Fleetwood Park Secondary Toy Drive. The club will be donating the toys to Ronald McDonald House at Surrey Memorial Hospital. Great thanks to everyone who donated a toy to this very worthy cause.

On Thursday morning our Health and Safety Committee met for their final meeting of the year. This committee plays an important role in our school and we appreciate their time and effort involved in reviewing our many systems and keeping us safe.

This week we had the chance to drop by and visit Ms. Hepting's Science students 'Bridge design' projects. Students built bridges to hold as much weight as possible. Today was the competition to identify the strongest bridge. We saw some very ingenious designs!

This afternoon students cleaned up their lockers prior to the Winter Break. Thank you to all students and staff for attending to this important task and keeping our beautiful school clean and healthy. All perishable items should be removed from lockers before the holiday.

Tomorrow is the last day before our Winter holiday. We wish all students and staff a happy Friday and a wonderful, restful break! Have a joyous and rejuvenating holiday season.

We will return to school on January 6th and continue to build our caring community of excellence in all forms of learning!

Ken
