Health and Safety:

Know the 14-day rule before travelling with unvaccinated or partially vaccinated children

Now that the U.S. border is open for non-essential travel, parents and students are reminded that international travel – by land, air or sea – presents restrictions around school attendance for unvaccinated and partially vaccinated students upon return.

Students who are not fully vaccinated CANNOT attend school for 14 days following their return, according to federal travel guidance around COVID-19.

While there are some quarantine exemptions for unvaccinated children accompanied by fully vaccinated adults, there is **no exemption** to allow unvaccinated or partially vaccinated students to return to school within 14 days following international travel, *regardless of who they travel with or if they received a negative PCR test result*.

In addition to school, students who are unvaccinated or partially vaccinated cannot attend the following for 14 days after international travel:

- o day cares and camps
- o settings with vulnerable people (i.e. long-term care facilities)
- o large crowded indoor or outdoor settings (i.e. amusement parks, sporting events)
- o crowded public transportation that does not ensure physical distancing and masking

If you decide to travel internationally during the school year, please coordinate with your teacher and school beforehand to ensure your child stays on top of schoolwork while they are away and for the 14 days following their return.

Unvaccinated children returning from travel must also limit contact with others for 14 days, especially those who have underlying medical conditions, compromised immune systems or are 65 and older. Returning travellers ages five and up must also take a COVID-19 molecular test, monitor their health and watch for symptoms related to COVID-19.

For more information on federal guidance and restrictions, visit canada.ca/coronavirus. For information on provincial measures, visit bccdc.ca/covid19 or call 811.

Health and Safety

WHAT HAPPENS IF A STUDENT GETS SICK?

Extra health and safety measures, like handwashing, learning groups, masks, daily health screens, and increased cleaning, will reduce the spread of COVID-19 and help keep schools safe.

IF A STUDENT SHOWS ANY COVID-19 SYMPTOMS AT SCHOOL..

-  The child waits in an isolated room
-  The school contacts parents or guardians to take the child home
-  Staff clean and disinfect exposure areas
-  The school notifies public health officials

THEN PUBLIC HEALTH..

-  Contact traces to identify potential COVID-19 exposures
-  May recommend testing
-  May recommend 14-day isolation if necessary
-  Gets in touch with close contacts
-  Provides follow-up recommendations as needed, which may include suspending in-class learning

Parents will be notified if their child has been in contact with a COVID-positive person and needs to self-isolate. Students will receive learning support while self-isolating.

INTERNATIONAL TRAVEL:	WHAT TO DO
Have you returned from travel outside Canada in the last 14 days?	<p>If yes: All students and staff who have travelled outside of Canada are required to follow both provincial and federal requirements for entry.</p> <p>This includes students who are attending school from abroad. Students from outside of Canada should verify their entry status at least two weeks before they are scheduled to attend school. Additional information is available here.</p>
CLOSE CONTACT	WHAT TO DO
Have you been contacted by public health and notified that you are a close contact of a person confirmed to have COVID-19?	<p>If yes: Please follow the instructions provided by Public Health.</p> <p>You can call 8-1-1 anytime to get advice about how you are feeling and what to do next. Pay attention to how you are feeling. If it becomes hard to breathe, you can't drink anything or feel much worse, seek urgent medical care at an urgent care clinic or emergency department.</p>

Check your symptoms with the [K-12 Health Check](#). If you have any questions, or the symptoms get worse, contact your healthcare provider, or call 8-1-1. For more information on COVID-19, please go to www.bccdc.ca.

Note: If you develop severe symptoms, such as difficulty breathing (e.g. struggling to breathe or speaking in single words), having a very hard time waking up, confusion, or severe chest pain, call 9-1-1 or go to the nearest Emergency Department.

If you develop symptoms such as mild to moderate shortness of breath, inability to lie down because of difficulty breathing, or have chronic health conditions that you are having difficulty managing because of difficulty breathing, please consult your family doctor or nurse practitioner. You can call 8-1-1 anytime to talk to a nurse at HealthLinkBC and get advice about how you are feeling.

Please check BCCDC's [Symptoms of COVID-19](#) regularly to ensure the list is up to date.

"This Week at Fleetwood Park" – Principal's Message: Nov 29th – Dec 3rd

Welcome to December Dragons!

It is a new month and our school is a big, busy and interesting place. Every day at Fleetwood Park Secondary we witness new learning and amazing successes. We witness students and staff taking on new challenges, overcoming obstacles and demonstrating their growth, development and talents. It is a special place to work and learn. The next two weeks of December will be immersed in new curriculum, celebration and dedication to our studies. It is always an important and very full time of year. I wish all students and staff the very best over the next couple of weeks. Take care of yourselves, be safe, and enjoy the excitement and happiness of the season. Appreciate being part of this special community.

Congratulations to our Senior Boys Soccer team! The boys were competing in the Provincial Soccer Championships over the weekend. Our team finished 12th in the Province and enjoyed a season of great success and true teamwork. They are a very special group; and we are very proud of them.

We started the week with a Staff meeting on Monday afternoon. We had another opportunity to share the Ministry of Education's new draft Provincial Reporting Order. This will be a focussed area of work over the next several months as we determine how this policy will be implemented at Fleetwood Park Secondary and across the District and Province.

I also had the chance to meet with our Parent Advisory Council on Monday evening. The meetings are important opportunities for dialogue and our PAC plays a critical role in the life of our school. All parents/guardians are reminded that we meet on the last Monday of most months. Our next meeting is scheduled for January 31st. Parents have the option of either attending in person or joining us virtually. We hope to see parents/guardians there!

Our FPSS student leaders have been making a difference in their school and across the community this week. Student Council has been selling hot chocolate as a fundraiser for Flood Relief for the Fraser Valley. Donations are going to the Canadian Red Cross and the Abbotsford Food Bank. Great thanks to all students and staff for your support. Sales will continue for one more week. This is an excellent example of social responsibility in action at Fleetwood Park.

RED CROSS**

Our Staff Committee is another excellent leadership component in the operation of our school. This group meets regularly to review school systems and provides feedback to the principal regarding all aspects of school life. Staff Committee met this week to continue our discussion about our school's Hat Policy. I greatly appreciate the thoughtful reflection and feedback received by staff. Our collaboration and communication are very important.

Great thanks to Mr. Grant and our Modern Languages Department for organizing this year's DELF exams. DELF exams are an internationally recognized credential for language students. Fleetwood Park has a long history of supporting these exams and providing this opportunity for our students. This year we also hosted a small number of students from other Surrey schools. We are pleased that this exam could return to our school this year.

Our Home Economics and Art Departments recently collaborated with their cross-curricular Flag project. Students created their own flags that reference their own cultural and personal attributes. The activity fostered meaningful dialogue, personal reflection, research and development of new artistic abilities. Excellent work Dragons!

The rain continued to fall this week and created new challenges across the province. Thank you to all Fleetwood Park Secondary community members for your efforts in reducing your fuel consumption and supporting those in need.

I hope your week went well. All the best for a happy Friday and a safe and rejuvenating weekend.

Ken

Btw: After much effort and many months of perseverance, we are delighted to let our community know that our exterior sign is back in operation!
