Sean's Space

Thank you to Mr. Darcy King, and all the staff members and Student Council who helped with the Snowball Dance on Wednesday evening.

Kathy's Corner

Maker Space: As your classes begin working on projects please remind your students that the maker space is a great place to get help! We meet formally on Thursday's after school but students are encouraged to come almost any day after school.

This Week at Fleetwood Park - February 5 - 9, 2018

Hello everyone, I hope you are enjoying your Thursday at Fleetwood Park Secondary. After being away visiting “High Tech High” for a few days last week, I am happy to be back at school and experiencing the life and times at FPSS! Although it was fascinating to learn more about project-based learning and community engagement at High Tech High; visiting other schools always prompts me to reflect on our Surrey schools and how fortunate we all are. Fleetwood Park Secondary compares very favourably to schools around the world!

On Monday, we appreciated a very special opportunity to recognize and thank the Hancock family for their contribution to our Retro Gaming Club (in memory of their son/brother, Toni Hancock). The students were with us, showed us their favourite games and enjoyed the positivity and friendship of the group.

Wednesday evening was a very busy and exciting time for our school and for our Senior students with the Student Council's annual "Snowball" Dance. The evening was a great success thanks to the Student Council's hard work and organization, the many staff volunteer supervisors, and the cooperation and respectful behavior of our senior students. Our students had a wonderful evening of dancing, music and lights! It was a positive night for the school, and we enjoyed seeing all of our senior students dressed in their formal wear. Thanks again to everyone who helped organize and host the event and to all of our student participants. Well done Dragons!

First Semester final report cards were published on the MyEdBC portal this week. All parents/guardians are requested to log into your accounts to download your child's report card. In addition, we held a special homeroom on Tuesday to distribute any paper copies of attachments, rubrics, special assessments associated with the report cards. Again, parents/guardians, please ask your children about their report cards for the first semester.

Report Cards and Student Schedules

Second semester timetables are available online. Please see the attached document for information on viewing your child's report card and timetable.
Report cards will be available February 7th.
 Semester Timetables - Report Card letter.pdf

The Fleetwood Park Makerspace Club has been busy! Our students are learning how to design graphics, create a stencil and transfer it onto a t-shirt. Students are welcome to join us in the Learning Commons on Thursday afternoons.

We wish everyone an enjoyable long Family Day weekend. See you back at school on Tuesday morning.

Ken

Mission Statement:

“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”
