School's junior boys and junior girls advance to the South Fraser regionals this week.

Kudos:

Congratulations to our Junior Girls and Junior Boys Basketball teams. Both teams finished first in Surrey! Way to go Dragons!! 😊

“This Week at Fleetwood Park” - Principal’s Message: February 10th – 14th

It was “Super Saturday” at Fleetwood Park last weekend. Fleetwood Park Secondary hosted the SSSAA Surrey Basketball Championships. Our Grade 8 Girls and our Junior Boys and Junior Girls teams had all advanced to the final round and were competing for the District banner. It was a great weekend for our teams and for the school with our Junior Girls and Junior Boys finishing first in Surrey! Congratulations to all of our players and coaches and to our Athletics Department for hosting such a successful tournament.

We returned to school on Monday after a busy weekend. In the afternoon our Department Heads met to review next year's enrollment projections and discuss various options. We also had the opportunity to hear from our Athletics Department and learn more about the history of Athletics at the school. We recognized and thanked our staff for their commitment and support in the operation of such a successful program.

On Tuesday at the school, we practiced another Fire Drill. This time we intentionally blocked one of the exits to simulate a possible egress challenge. Our students responded very well, and calmly moved to the next nearest exit. Great thanks to all students and staff for your participation.

In the afternoon we invited staff from our Grade 7 Associate School classrooms to Fleetwood Park to discuss the Articulation Program. Teachers, Admin, IST, Counsellors from Walnut Road and Coyote Creek met with our staff to review this important transition. We will be visiting the grade 7 classrooms over the next few weeks in order to do course selection.

On Wednesday evening we hosted our Grade 9-10 Parent Information Night. Approximately 200 people joined us for this important presentation. We reviewed the new curriculum, Provincial Assessments, Course Selection, Scholarships, Post-Secondary application and more. It was an informative evening with lots of excellent questions. The presentation will be uploaded to our website for those parents/guardians who were unable to attend.

Thursday evening is our 2nd Jazz Night of the school year. It promises to be a very entertaining performance by our very talented Jazz musicians. The show starts at 6:00pm – hope to see you there!

This week I had the chance to drop by and learn more about Ms. Smeltzer's Humanities students' projects. Students were tasked with creating a self-sustaining community. Their work was very creative and highly engaging! Great job Dragons!

Our PHE students were taking advantage of the milder weather this week. Ultimate in February! Lots of fun!

BCIT visited the school this week for a lunchtime presentation about admittance requirements and programs. It was well attended and appreciated by our senior students.

As you can see we had a full and interesting week of learning at Fleetwood Park! Our students and staff are active, engaged and challenged. I wish all Dragons the very best as the 2nd semester now begins to unfold. Study hard, set ambitious goals, celebrate your learning and participate in the wonderful opportunities that Fleetwood Park offers.

Have a happy Friday and a relaxing Family Day Long weekend. We will see you again on Tuesday morning.
