Student Learning Survey 2019/2020

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2020** the Student Learning Survey will be administered to students in grades 10 and 12, their parents, and all school staff. **We encourage parents to participate in this survey**, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at http://www.bced.gov.bc.ca/sat_survey. Any computer with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and the *Direct access* section of the log in page by selecting the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

Computers will be available to parents in our Library during parent/teacher interviews on March 5th.

For parents who do not wish to use school computers, local public library computers may be another option.

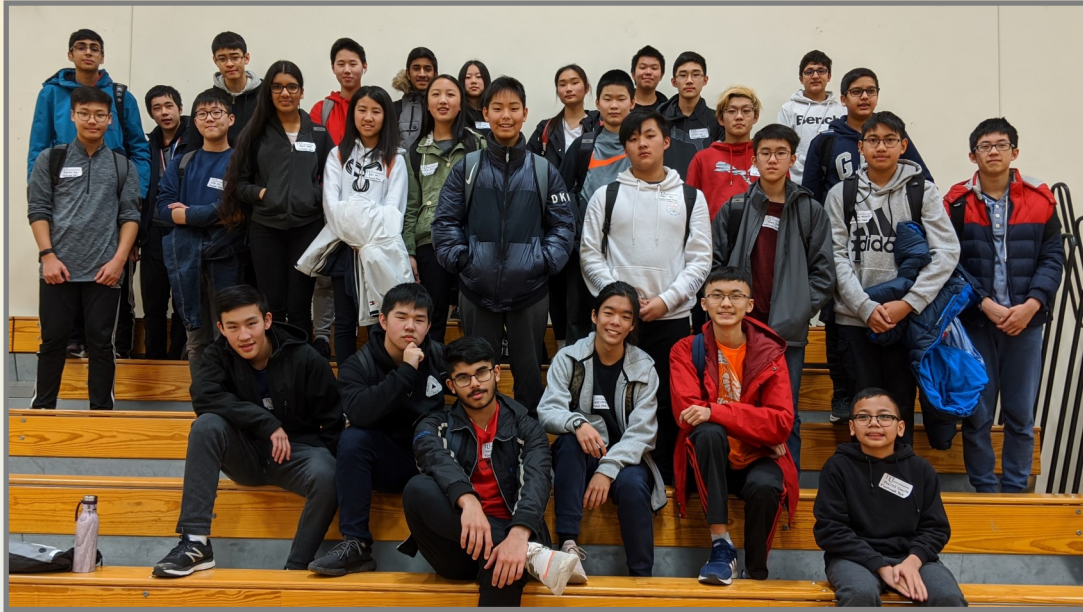

The e-survey site will be open until April 3rd.

If you have any questions, please contact the school at 604-597-2301.

Kudos:

Last week Fleetwood's Math Challengers teams competed at the regional competition at UFV against other schools from the lower mainland. Our grade 10 team placed 2nd overall, with Tony Cai, Etan Huang and Vaibhav Ambastha also making it into the top 10 as individuals. One of our grade 8's, Jason Cai, also made it into the top 10 with his individual score.

A grade ten student at Fleetwood Park attended the BC Winter Games this weekend. Kyra achieved double silver in archery for women's barebow, something she's worked extremely hard at to be this successful. Congratulations Kyra!

Kudos:

On Friday and Saturday, 20 members of the Theater Company participated in the 1st Annual BC Provincial Thespian Theatre Festival, hosted at Lord Tweedsmuir. The Festival involved 16 schools from all over the Lower Mainland, including both public and private schools from North Vancouver, Burnaby, New Westminster, Surrey and Langley. In all, 16 schools and 210 students participated in the 2 day festival that started at 8am and ended at 930 pm each day.

The students got to each participate in SIX individualized workshops taught by Theater instructors, University representatives, and various industry professionals. The primary focus of this festival is Theater Education, and I can say with extreme confidence that all students walked away having learned a LOT this weekend. In addition, the students participated in Musial Theater Intensives, Collaborative Theatre Creations, Next Generation Play works Student Writing workshops, Technical Theatre Olympics, One Act Plays, and Individual/Group Performances.

Below, please find a list of incredible accomplishments from the Theater Company at this festival:

1. Our very own **Kianna Cameron** was awarded one of only two 400\$ USD (500\$ Canadian) scholarships that she can apply to the Post Secondary Institution of her choice. She auditioned at Capilano University this past Thursday for their Acting for Stage and Screen Program, and is currently awaiting acceptance. In addition, Kianna was offered a **5000\$ SCHOLARSHIP** by New Image College in an attempt to recruit her into their program. This is truly an exceptional accomplishment, and the most money offered to any student at the festival.

2. Our very own **Mckenna Klassen** was awarded one of only two **2000\$ SCHOLARSHIPS** to Vancouver Acting School in an attempt to recruit her into their program. Mckenna is currently awaiting acceptance on her application to UFV and now will have an amazing opportunity to choose where to pursue acting in post-secondary education.

3. **Hans Gorre** was awarded not one, but **TWO Superior Grades** in acting (average score of 4 out of 4 on the international scale). The first, was the only Superior Grade given to a student Monologue out of 14 entries. The festival has an extremely high standard in order to awards a student this score. However, Hans was not the only one to accomplish a Superior Grade at the festival:

4. **Lexi Limin** was Hans' musical duet partner, and was also awarded the Superior grade. Their duet was the only Superior Grade awarded out of 8 Musical Duet performances. The performance left the audience in tears with their beautiful rendition of Last Night of the World from Miss Saigon.

**** Because of the superior grade given to Hans and Lexi, they have been awarded entry into the International Thespian Festival at Indiana University during the last week of June!!!!***

5. Our very own **Kanwarveer Sidhu** presented his Student Written play "Ode To Dreams" at a workshop this weekend, and has been approached by Moscrop Secondary School in Burnaby about producing his play! Kanwar's exceptional work on this play received resoundingly positive feedback from the workshop leaders and theater alumni at the Festival. This is likely the first of many times that Kanwar's writing will receive recognition.

6. Solana Lavineway, Kaja Antic, and Hans Gorre participated in an incredible Musical Theatre Intensive run by Daman Jung (graduate of Capilano's Musical Theatre Program). The two day intensive produced a breathtaking Musical Theater Performance that can be found at <https://www.instagram.com/bcthespians/> The students worked exceptionally hard over two days, putting in hours and hours of dedicated rehearsal to complex choreography and musical theater harmony.

Kudos:

7. Additionally, the following students were all given awards for Excellence in Acting/Performance (average score of above 3 out of 4 on the international scale):

Solana Lavineway
 Alexis Cannon
 Ava Gill
 Kianna Cameron
 Mckenna Klassen
 Kaja Antic
 Nicola Williams
 Kanwar Sidhu
 Hudson McCullough
 Lily Hua

8. Last but certainly not least, our very own technical crew won 2 out of 5 of the events at the Tech Olympics, recognizing exceptional achievement in the field of theater tech. The students demonstrated incredibly quick learning in competing against experienced theater technicians from all over the province. Congratulations go out to:

Dario Mendez
 Trish Panda
 Sarah Martinson
 Shreya Sonagra
 Samantha Kinsey

I am extremely proud of the work the students put in, as well as the energy, enthusiasm, leadership, and positive energy that the entire Theater Company brought this weekend. If you see any of these students around the school on Monday, be sure to congratulate them on their incredible accomplishments!

Thanks Dragons. Have a great rest of your weekend.
 Mark Rossiter – Arts Department Head – Fleetwood Park Secondary

"This Week at Fleetwood Park" – Principal's Message: February 24th – 28th

Happy Kindness Week Dragons!

Before I begin my review of this week at Fleetwood Park, I'd like to again recognize and celebrate this year's Dry Grad Fashion Show that was held last Thursday evening.

The show was such a positive evening for our school. I saw many happy students and proud parents and family members. Our students looked stunning as they modelled this year's latest graduation and cultural fashions. It was a great evening of celebration for the Fleetwood Park graduating class of 2020. Thank you and congratulations to all organizers and participants of this year's Dry Grad Fashion Show. Well done Dragons!

Home of Dragon Pride
"Building Successful Futures"

This week is Kindness Week at the school. Throughout the week our students are practicing random acts of kindness, especially our Seniors. If you witness a gesture of kindness, please recognize their thoughtfulness and give them a pat on the back! ☺ We also have a school video project happening throughout the week that will highlight kindness at Fleetwood Park. A gratitude initiative is being organized; kindness notes were placed on lockers, and of course, the Provincial wide Pink Shirt Day was recognized. Thank you to our Leadership students for organizing the week of activities and promoting this special message of: #kindness is the new cool! You are making a difference in our community.

On Monday we met with our Staff and had an opportunity to review feedback from a recent student focus group, and discuss our Professional Development day of learning. It is always nice to gather the entire Fleetwood Park staff in the same room to discuss current issues and recognize who we are as a community.

On Monday afternoon, Ms. Landriault and the Dance Program was very busy hosting the “Pulse” Dance Competition. Schools from across Surrey visited us to perform in front of excited and energetic friends and families. Again, it was another very positive and fun evening of excellence for our students. Congratulations to all of our dancers!

On Monday evening we held our monthly Parent Advisory Council meeting. This month we listened to a special presentation from St. John's Ambulance. Fleetwood Park has 2 Automated External Defibrillator machines (AED's) and parents were given a tutorial on how they operate. It was a very informative evening. Our next meeting will be held on Monday, April 27th. There will be another special presentation on Social Media/Internet safety. All parents/guardians are invited to join us.

On Tuesday, Fraser Health Authority was in the school to provide immunizations to our remaining Grade 9 students. The session went very smoothly; and this important program has now been completed for the 19/20 school year.

Wednesday was Pink Shirt Day at Fleetwood Park! We saw many students and staff wearing pink and promoting our "it's cool to be kind" message.

On Wednesday afternoon the Fleetwood Park Jr. Girls Basketball team competed in the Provincial championships at the Langley Events Centre. The team was victorious against Duchess Park Secondary from Prince George and played in the quarter-finals against Walnut Grove Secondary. We are very proud of our student-athletes!

The Grade 7 Parent Information Night was held on Wednesday evening. This was presented in conjunction with our Grade 7 Music concert. The band was comprised of grade 7 students from all three of our Associate schools, along with some members of our FPSS Music program. The gymnasium was full of students and parents, many of whom were visiting Fleetwood Park for the first time. Special thanks to Mr. Gough, Ms. Sheridan and Mr. Robinson for all of your work in organizing this extravaganza of music and celebration! Also, special thanks to Ms. Porter and our Grade 8 Leadership students for your participation in our grade 8 student panel. I know that our Grade 7 parents were very interested in your perspective and experiences during your first semester of high school.

Fleetwood Thursday, hosted by Student Council, was presented at lunchtime on Thursday. Several students performed in front of a large audience of students in our plaza. Great music and talent, great school spirit – great times! 😊

On Thursday evening, I attended the District's annual Community forum with PAC Chair Ms. Boothman. We attended sessions -

1. A Career Choice is Not a single, one-time event
2. Safe, Caring, and Connected Schools. Both were highly relevant and interesting presentations.

On Friday, our Music Department will be participating in a very special performance. They have been invited to share the stage with the Vancouver Symphony Orchestra at the Bell Centre for the Performing Arts at 7:00pm. It will be an incredible evening of music! Congratulations to our Music Department.

As you can see, Fleetwood Park Secondary is a busy, dynamic and exciting place to work and learn. There is much on the go, and wonderful opportunities for excellence in learning across the curriculum. We are very proud of the community that we have built together.

Have a kind and happy Friday and an excellent weekend.

See you on Monday.

Ken
