## **This Week at Fleetwood Park**

### **Principal's Message: January 22 - 26, 2018**

Good morning and congratulations on the completion of your first semester!

This week students and staff completed the final 3 days of regular classes and then worked on finishing missing assignments/assessments on the "semester completion days". As always, the semester flew past! It is hard to believe we are now half way through the school year. The 2<sup>nd</sup> semester will move even faster. I encourage all students, parents/guardians, staff to dream big, set lofty goals, pursue the many opportunities we have available at Fleetwood Park Secondary, and enjoy all that being a Dragon offers.

Over the past few days, I have enjoyed observing a wide variety of final assessment activities.

Ms. Lumsden's students were learning about the value of physical activity and the power to activate their cognitive abilities. The students were able to move and stimulate their brains just prior to their assessment.

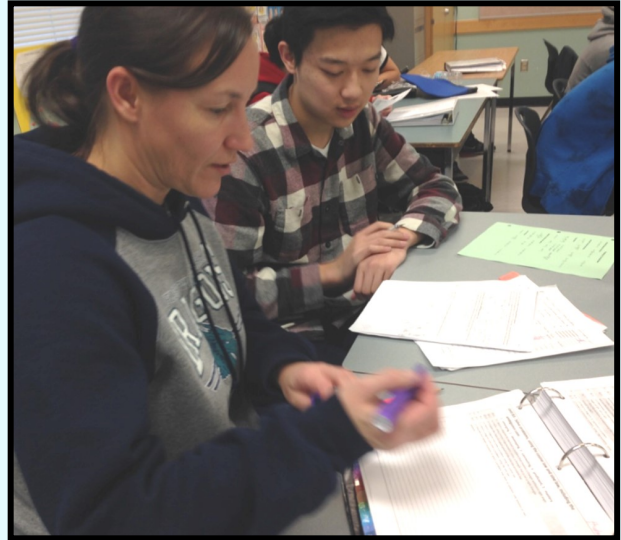

Ms. Egan's students were demonstrating their ability to operate a robot using a new programming language.

Ms. Singh's students demonstrated their understanding of the Electricity Unit concepts by designing and wiring a model house with circuitry, switches and lighting.

Ms. Mayencourt's students participated in student-led conferences to show their learning of the Mathematics Learning Outcomes of their curriculum.

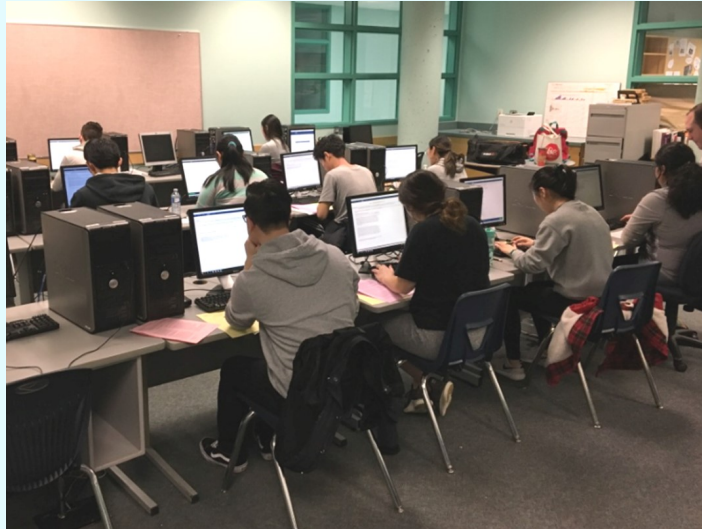

Ms. Porter's and Ms. Frederickson's Art students' beautiful "Fall Branches" paintings demonstrated their talents and creativity.

Mr. Ghuman's Science students enjoyed designing, building and testing the aerodynamics of their landing vehicles.

Over the next two days Grade 11 students are writing their Provincial Numeracy Assessment. It is the very first session of this new graduation requirement. We wish all students the very best! In addition, our Grade 12 students are writing their English 12 Provincial Exam this morning. It is a very important time for our students and I was very impressed with the positive attitude and serious tone as they arrived for the exam. We are confident that our Fleetwood Park Dragons will continue to achieve very high levels of success.

On Monday morning students will be starting the 2<sup>nd</sup> semester. All students, parents/guardians are again reminded that 2<sup>nd</sup> semester timetables may be found online through your [MyEdBC account](#).

Please download your timetable before Monday morning!

Note: We will not be printing 2<sup>nd</sup> semester timetables on Monday morning. All students are expected to access their timetables through the online portal.

Please see our [website for details](#) and supporting documentation if you have forgotten your password.

Re: MyEdBC Portal and 2<sup>nd</sup> semester timetables

Dear Students / Parents / Guardians,

Students and Parents / Guardians are reminded that report cards and 2<sup>nd</sup> semester timetables are available online only. We will no longer be issuing paper report cards or timetables in homeroom as has been past practice.

In order for students and parents to access report cards and timetables, you must log into the MyEdBC portal which can be accessed at <https://www.myeducation.gov.bc.ca/aspn/logon.do>

At this time, students and parents have received a username and password along with instructions on how to log into the portal. Many students and parents have already logged into the system to view the site.

Once logged in, please click the **My Info** button and **Current Timetable** button to view your second semester timetable. See images below:

It is important that all parents and students bookmark this website and record both their username and password.

With appreciation,

Mr. Sean Chambers  
Vice Principal

On behalf of Ms. Shier, Mr. Chambers and myself, I would like to thank the entire Fleetwood Park Secondary family for your contributions to our school over the first half of the year. We have accomplished so much together, and can be very proud of our community of learners. It is a privilege to be a Dragon, and I am looking forward to the amazing opportunities that the 2<sup>nd</sup> semester will bring us.

Enjoy your weekend, and see you on Monday morning for the start of the semester.

Ken

### **Mission Statement:**

***“At Fleetwood Park Secondary we value excellence in education and strive to provide a learning environment where all students are encouraged to build successful futures.”***
