### Quotation Of The Week

“

Beneath every behavior is a feeling.  
And beneath every feeling is a need.  
And when we meet that need rather  
than focus on the behavior, we begin to  
deal with the cause not the symptom.

## **“This Week at Fleetwood Park” – Principal’s Message: January 6<sup>th</sup> – 10<sup>th</sup>**

Happy New Year and Happy New Decade!

Good morning and welcome back to Fleetwood Park Secondary. We hope that your Winter Break was all that you hoped it would be with relaxation, rejuvenation, celebration and time spent with family and friends! We are happy to be back in session and looking forward to the year ahead.

Monday morning at the school was full of excitement and positivity as students and staff greeted each other and shared their holiday experiences. We are entering the final weeks of Semester 1 and the completion of curricular competencies and final assessment. It is a very important time of learning for the entire school community. The last day of classes is Wednesday, January 22<sup>nd</sup>. There are two ‘Semester Completion Days’ on January 23<sup>rd</sup> and 24<sup>th</sup>. Although regularly scheduled classes will not be in session, the school is open for business on these days with teachers available to support students in completing their courses. Please see our website for a [summary of each department’s plans](#) for the two days. We are confident that all students will finish the final two weeks of the semester with focus, diligence and commitment to success!

The first day of Semester #2 will be January 27<sup>th</sup>. We will be following the 'Flex Day' bell schedule for the day with early dismissal at 1:33pm. Students/parents are encouraged to log into your MyEdBC account now in order to download 2<sup>nd</sup> semester schedules. Please contact the office if you need assistance in accessing your MyEdBC portal. (Also, please see our website for [instructions on setting up an account](#).)

This week, members of our Special Education team continued with additional specialized training. I would like to thank our District for this very helpful workshop and to our team for your ongoing support of our students. We can be very proud of our culture of inclusion at Fleetwood Park and the educational programming provided to all of our students across the entire learning spectrum.

This week we met with our District's Facilities Department to discuss several pending building projects that are underway and/or will be happening in the Spring. This includes improvements to our grounds, special Art installations, modifications to our Technology Dept teaching space, and renovations to our Special Education room. The maintenance, care and ongoing upgrades to our physical plant are very important. We are very fortunate to work and learn in such a beautiful facility; and the respect our students display in taking care of our school is highly appreciated.

In addition to our curricular classes, our extra-curricular activities such as Intramurals also continued this week.

Next week is our annual Course Information Fair. The plaza will be set up with displays from each department from 2:45pm-4:00pm on Wednesday, January 15<sup>th</sup>. Students, parents/guardians will have the opportunity to learn about all of the courses offered at Fleetwood Park Secondary. It is our hope that the Course Fair will allow students to make informed decisions about the courses they choose for next year. Students are highly encouraged to drop by and ask questions about the courses they are considering for next year. (Parents/guardians are also welcome to join us).

## **Fleetwood Park Secondary Course Fair**

### **WHERE AND WHEN?**

Wednesday, January 15<sup>th</sup>, 2020  
2:45 PM - 4:00 PM in the Plaza

### **WHY?**

The Course Fair will be an opportunity for students and parents to learn more about the courses offered at Fleetwood Park. We are hoping students will be able to make an informed decision when choosing their courses.

All students, parents/guardians are welcome to join us for the Course Fair!

### **DEPARTMENTS**

Arts	International Languages
Athletics	Leadership Program
BASES	Library
Business Ed.	LST
Career Ed.	Mathematics
Counselling	Music

We will be starting the course selection process for the 2020/21 school year next week with some initial conversations with our grade 8 & 9 students. The process will continue over the next two months. Again, all students are highly encouraged to make wise and careful decisions when selecting your courses.

Again, welcome back to a new year of learning and celebration! I hope your week went well and all the best for a very successful conclusion of your first semester.

Ken
