"Building Successful Futures"

It is the final week of Semester #1 at Fleetwood Park Secondary and we have all been very busy concluding semester-end instruction/assessment while planning for semester #2 start-up. All students and staff are commended for your hard work and dedication to your programs and our school. I have been very impressed with the work ethic I have witnessed across our community. Many students have been spending many additional hours of study preparing for final assessments. This past week our Learning Commons has been a very popular place for study!

Last week the weather was a major issue for us all. This week, fortunately, the climate has moderated and our students, staff and systems are back into our regular routines.

What a difference a week makes!

Shield's Field - Last Thursday

Shield's Field – This Thursday

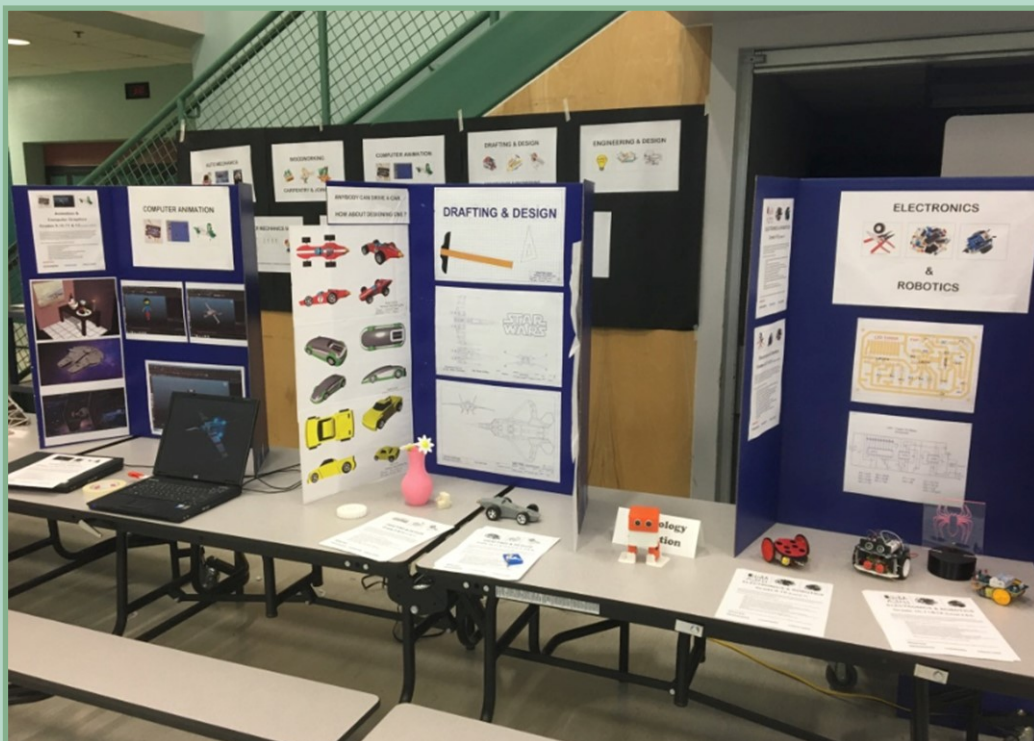

This week we have all been enjoying the Art Department's new "Bobblehead" display of student work. ☺  
Can you guess who these bobbleheads represent?

On Tuesday afternoon we hosted our Course Information Fair. A couple of hundred students and parents/guardians stopped by to ask questions and learn more about our course offerings. Great thanks to all staff who helped with the event. Your time, energy and expertise were much appreciated by all in attendance!

Wednesday was the final day of regularly-scheduled classes for the first semester. With this, we saw many students completing their final assessments and studying for final exams. I wish all students the very best as you finish off your courses and I am confident that your dedication and hard work will directly result in great success. I would also like to thank our entire staff for your commitment and support of our Dragons. Your professionalism and care are essential ingredients for their learning and our school's culture of excellence in education.

Thursday and Friday are [Semester Completion days](#) at Fleetwood Park and across the Surrey School District. Although regularly scheduled classes will not be in session, the school will be open for students requiring additional assistance with semester-end tasks and/or tutorial support. Students should see their teachers to schedule. Additionally, our grade 10 students will be writing their Literacy 10 Provincial Assessment on Thursday and their Numeracy 10 Provincial Assessment on Friday. Please see schedule posted on our website.

On Thursday and Friday, we are hosting the Grade 7 Band students from our Associate schools (William Watson Elementary, Coyote Creek Elementary and Walnut Road Elementary). Students will be rehearsing for their Grade 7 Band performance during our Grade 7 Parent Information Night on February 26<sup>th</sup>. This promises to be a very entertaining and informative evening for our incoming students and their families. Great thanks to our Music Department for coordinating this special event.

As we finish semester #1 and move into semester #2, our graduating class of 2020 begins to think of year-end graduation activities and special celebrations. Grad photos are part of these annual traditions, and our Artona mobile studio arrived this week for Grad photos! All Grade 12 students should schedule a session in order to have your picture taken for our school-wide Graduation Composite photo and for our Yearbook. Purchase of separate Grad photos is optional. Please go to [Artona.com](http://Artona.com) for further details.

And in a flash, our year at Fleetwood Park is now half-completed. We look toward the 2<sup>nd</sup> semester with excitement and anticipation of future challenges and new learning. I wish all students and staff the very best for a Spring time of new beginnings and new success stories!

Yours in learning,

Ken
